Cthulhu Confidential Pelgrane Press,2017-07 Cthulhu Confidential is a roleplaying game designed for one player and one game master. Its powered by the GUMSHOE One-2-One game system which retunes, rebuilds and reimagines the acclaimed GUMSHOE investigative rules set, as seen in such hit roleplaying games as Trail of Cthulhu and Nights Black Agents, for one player and one GM. Together, you create a story that evokes the classic solo protagonist mystery format. Cthulhu Confidential drops your hero into the noir nightscape of hardboiled-era Los Angeles, New York or Washington, DC. Meet powerbrokers and politicians, rub shoulders with Hollywood studio bosses and fiery evangelists. Face narrow-eyed G-Men, bent cops and dangerous crime lords. But beneath it all, under the scrim of all this human endeavor, lives corruption so old and inhuman youll need all your courage and resourcefulness to face it. Choose one of three heroes with their own settings and adventures: Langston Wright is an African-American war veteran and scholar in WW2-era DC with a keen intellect. Dex Raymond is a hard-boiled private detective in 1930s Los Angeles with a nose for trouble. And Vivian Sinclair is The New York Herald's most determined scoop-hound. Each is a lone investigator, equipped with smarts, fists, and just maybe a code of honor, uncovering their towns secret truths. But what happens when you scratch the veneer of human malfeasance to reveal an eternal evilthe malign, cosmic indifference of HP Lovecraft's Cthulhu Mythos? Made in the U.S.

The Yellow King RPG (Four 6x9 Slipcase Set) Pelgrane Press,2020-01-21 Inspired by Robert W. Chambers' influential cycle of short stories, it pits the characters against the reality-altering horror of The King in Yellow. This suppressed play, once read, invites madness or a visit from its titular character, an alien ruler intent on invading and remolding our world into a colony of his planet, Carcosa. Four books, served up together in a beautiful slipcase and GM screen set, confront your players with an epic journey into reality horror: Belle Époque Paris, where a printed version of the dread play is first published. Players portray American art students in its absinthe-soaked world, navigating the Parisian demimonde and investigating mysteries involving gargoyles, vampires, and decadent alien royalty. The Wars, an alternate reality in which the players take on the role of soldiers bogged down in the great European conflict of 1947. While trying to stay alive on an eerie, shifting battlefield, they investigate supernatural mysteries generated by the occult machinations of the Yellow King and his rebellious daughters. Aftermath, set later in the same reality, in present day North America. A bloody insurrection has toppled a dictatorial regime loyal to Carcosa. Players become former partisans adjusting to ordinary life, trying to build a just society from the ashes of civil war. But not all of the monsters have been thoroughly banished--and like it or not, they're the ones with the skills to hunt them and finish them off.

Numenera Discovery and Destiny Slipcase Set Monte Cook,Monte Cook Games,Sean Reynolds,Bruce Cordell,2018-07-31 They say there have been eight worlds before ours. Eight times the people of this Earth, over vast millennia, built their civilizations. They reached heights we cannot even imagine now: they spoke to the stars, reshaped the creatures of the world, and mastered form and essence. They built cities and machines that have since crumbled to dust, leaving only their vast outlines and barest remnants. This is the Ninth World. The people of the prior worlds are gonescattered, disappeared, or transcended. But their works remain, in the places and devices that still contain some germ of function. The ignorant call these magic, but the wise know that these are our legacy. They are our future. They are the... Two 416-page corebooks, two poster maps, a handsome and sturdy slipcase, a metal medallion, and additional play aidsall for the price of the corebooks alone. All existing Numenera supplements remain compatible with these corebooks.

Absinthe in Carcosa (Yellow King RPG Supp., Hardback) Pelgrane Press,2020-01-21 The City Guide That Shatters Reality! At the end of the 19th century, an American art student went to Paris, read a play called The King in Yellow, and lost his grip on reality. Head reeling from absinthe, bedeviled by unseen adversaries, he realized that the alien world the play described, Carcosa, had sunk its traces throughout the City of Lights. As he explored Paris in search of its decadent influence, he created a scrapbook. A guide for himself, and for those who would come after him. Yoked together from existing travelogues, newspapers, and the disquieting ephemera of the occult tradition, it laid out a skewed portrait of a haunted city. Absinthe in Carcosa is an indispensable city guide for The Yellow King Roleplaying Game and a stunning, full-color visual artifact in its own right. Made in the USA.
