**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Mordin on Time** Nick Mordin,2003-02 In Mordin On Time, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). Mordin On Time enables the reader to construct their own speed ratings wherever they live.

I Feel Jealous Stephanie Finne,2021-06-15 In this book, readers will learn about jealousy and envy in themselves and others, how and why they feel it, how to best respond to it, and how to communicate these feelings. Social and emotional learning (SEL) concepts support growth mindset throughout, while Try This! and Grow with Goals activities at the end of the book further reinforce the content. Vibrant, full-color photos and carefully leveled text engage young readers as they learn more about states of mind, moods, and emotions. Also includes sidebars, a table of contents, glossary, index, and tips for educators and caregivers. I Feel Jealous is part of Jump!'s States of Mind series.

Medical Anthropology Andrea S. Wiley,John Scott Allen,2013 An ideal core text for introductory courses, Medical Anthropology: A Biocultural Approach, Second Edition, offers an accessible and contemporary overview of this rapidly expanding field. For each health issue examined in the text, the authors first present basic biological information on specific conditions and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives on how these issues are understood. Medical Anthropology considers how a biocultural approach can be applied to more effective prevention and treatment efforts and underscores medical anthropology's potential to improve health around the world.

Act of War Dale Brown,2009-10-13 The New York Times–bestselling author introduces a cutting-edge new hero out to stop ecological terrorists in this international techno-thriller. When a Texas oil refinery is destroyed by a “backpack” nuclear device, it’s just one of many attacks on a multinational energy company. These acts of destruction are being perpetrated across the globe by a single group determined to stop the plundering of natural resources. To stop them before the strike again, the authorities call in military tech wiz Jason Richter and his top-secret counterterrorism unit Task Force TALON. To snare his opponents, Richter knows he must beat them at their own game: unconventional hit-and-run attacks that are brutal enough to strike fear into the heart of the most dedicated terrorist. Richter must also lead the way through a series of unexpected turns that uncover a mole operating within the upper echelons of government. If Richter fails, it won’t be just the lives of his team that

are lost, but America itself.

**Room 555** Cristy Watson,2019-01-29 Fourteen-year-old Rooney loves hip-hop almost as much as she loves her grandmother. Rooney cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Rooney becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Rooney to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Rooney meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Rooney face her fears, make amends with Kira and reconnect with Gram before it's too late.

Kagerou Daze, Vol. 5 (light novel) Jin (Shizen no Teki-P),2016-09-27 Despite their youth, sorrow stalks Kano, Kido, and Seto. UFO Exist! Paris Flammonde,1976 Did flying saucers visit ancient Egypt? Why has there been a rash of unexplained

sightings over the last three decades? What is the reason for the official Washington hush-up? This remarkably comprehensive volume supports the conclusion of Paris Flammonde that, beyond conjecture, beyond argument, beyond a shadow of a doubt, Unidentified Flying Objects are real. Here are firsthand accounts of sightings and the extraordinary deceptions that followed . . . unsolved mysteries and official double-talk . . . indisputable facts and hard evidence that UFO EXIST! Convincingly shows how military and government agencies have suppressed or distorted testimony in many UFO cases. -- Publishers Weekly
