Code Monkey Save World Greg Pak, Jonathan Coulton, 2014-02-15

A put-upon coding monkey teams up with a seething, lovelorn supervillain to fight robots, office worker zombies, and maybe even each other as they struggle to impress the amazing women for whom they fruitlessly long. Based on the songs of internet superstar musician Jonathan Coulton.

Art of He-Man and the Masters of the Universe

Various, 2015-04-28 In 1983, the world was introduced to He-Man and the Masters of the Universe. What followed was a cultural sensation that changed the landscape of children's entertainment forever! Join Mattel and Dark Horse in this comprehensive retrospective chronicling He-Man's decades-long epic journey from toy, to television, to film, to a true pop culture phenomenon!

This Girl for Hire G.G. Fickling, 2024-04-02 In the bustling streets of 1950s Los Angeles, Honey West emerges as a dazzling beacon of wit, charm, and unwavering courage. *This Girl for Hire* marks the thrilling debut of the first female private eye in popular fiction. Honey isn't just any detective; she's a trailblazer in a man's world, combining unparalleled intellect with a femme fatale's allure. Whether she's navigating the shadowy alleys of crime or the intricate puzzles of love, West proves time and again that she's more than capable of cracking the toughest cases.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the

German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Adventure Kartel Ashley Wood,2014-10-28 This gorgeously oversized hardcover from the creators of Lore presents the comics, posters, conceptual designs, sketches, and other beautifully rendered miscellany involving Tommy Mission and his Adventure Kartel in their battles with Zomb MD and his undead minions. Ashley Wood's artistry is available to all on a grand 11 x 17 format!

The Garfield Gallery Jim Davis,1989

God Complex Vol. 1: Dogma Paul Jenkins,2018-07-18 A young forensics investigator finds his worldview turned upside down when a bizarre religious triple homicide introduces him to the Rulers, godlike beings who have ruled humanity since the dawn of time. From writer PAUL JENKINS (SPAWN: RESURRECTION, The Inhumans, Marvel Knights: Sentry) and artist HENDRY PRASETYA (Mighty Morphin Power Rangers), GOD COMPLEX: DOGMA is a unique spin on ancient mythology with a focus on one man's journey of faith. Collects GOD COMPLEX #1-6

String Divers Chris Ryall,2016-03-22 Originally published as String Divers issues #1-5--Colophon.

The Art of Super Mario Odyssey Nintendo,2019-11-05 Take a

globetrotting journey all over the world--and beyond!--with this companion art book to the hit video game for the Nintendo Switch(TM) system! In October of 2017, Super Mario Odyssey(TM) took the gaming world by storm. Now, discover the art and expertise that went into creating one of Nintendo's best-loved games! This full-color volume clocks in at over 350 pages and features concept art, preliminary sketches, and notes from the development team, plus insight into some early ideas that didn't make it into the game itself! Explore the world of Super Mario Odyssey from every angle, including screen shots, marketing material, and more, to fully appreciate this captivating adventure

Super-Pets! Art Baltazar, Franco Aureliani, 2013 The sky is filled with Super-Pets! Oh yeah, there's also an appearance by Superman!

Three Sheets Zane Lamprey, 2010-03-16 Most people have a few drinks to relax after work. For Zane Lamprey, however, having a few (or a few too many) drinks is work. But he's not complaining. Zane has circled the globe knocking back an endless variety of booze while capturing his imbibing exploits for the cult-hit TV show Three Sheets. And now the Indiana Jones of alcohol consumption has gathered a round of his most amusing adventures, fascinating factoids, and tips for adventurous tipplers into this, the ultimate pub crawler's memoir. Join him as he ventures, glass in hand, to • Ireland, where whiskey was invented, drinking is a way of life, and beer is the best medicine • Tanzania, where the popular "bee brew," engortorogi, was accidentally discovered by a woman trying to poison her two-timing husband • Las Vegas, where the scary-to-look-at, tasty-to-sip, and impossible-to-finish-alone Witch Doctor is a better bet than the gaming tables, and a bacon martini is a savory way to wash down Sin City's famed \$777 burger • Japan, where the celebrated sake is brewed like

beer and once featured saliva as a secret ingredient • Poland, where vodka is the equivalent of America's apple pie (one of the most popular brands is infused with flakes of gold) and lovers of beer constitute an official political party Zane also sips champagne in the French region that gave the bubbly its name and heads to Tequila, Mexico to sample the infamous local spirit from the blue agave plant. He also bellies up to bars in Scotland, Jamaica, Argentina, New Zealand, Belgium, St. Martin, South Africa, and Taiwan. Each destination is a new adventure in libation. Packed with anecdotes, recipes and drinking games, and more hangover remedies than you can shake a swizzle stick at, Three Sheets makes for a delightfully intoxicating cocktail.

Notes from the Hyena's Belly Nega Mezlekia, 2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

KHAGESVARA SUJITH SUKUMAR, 2021-05-19 It is the story of Yuga, a mysterious young warrior, who was born and brought up in the forest. He lives with his Guru who tries to save the hidden secrets of the Shatapatha Kingdom from the followers of Darkness. Their ancestors are afraid of the rebirth of the Shadow of Darkness Lord in the future. Aryan is the king of their kingdom, who is wise and

generous. He and his protectors begin their Tapasya to please their creator, 'Garuda - The King of Birds' for grace and to defend them from the followers of Lord Darkness. The Creator pleases and boon them with the hidden secrets, and also, reminds them to do some karma so that they can own the hidden secrets. In the middle of a battle, the Shatapathans find one of their protectors who had disappeared with King Aryan for so many years. The protector sends Yuga with them. It's a journey of Yuga exploring the hidden secrets.

Junta from Brisvegas Josiah Navarro,2021-10 Josiah Navarro's Junta artwork including contributions from 130+ artists from all over the world.

Terms and Conditions R. Sikoryak,2017-03-07 Master satirist tackles the contract everyone agrees to but no one reads “Mischievous, pastiche-heavy artist Robert Sikoryak...upped the difficulty level for his long-term conceptual project: Instead of abridging a book, he lifted the complete text of Apple’s mind-numbing corporate boilerplate, which users must agree to before accessing iTunes, and mashed it up with art invoking more than a century of comics.”—New York Times For his newest project, R. Sikoryak tackles the monstrously and infamously dense legal document, iTunes Terms and Conditions, the contract everyone agrees to but no one reads. In a word for word 94-page adaptation, Sikoryak hilariously turns the agreement on its head—each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker’s Beatle Bailey, or a contemporary graphic novel such as Craig Thompson’s Blankets or Marjane Satrapi’s Persepolis. Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking, yet Sikoryak creates a surprisingly readable document, far different from its original, purely

textual incarnation and thus proving the accessibility and flexibility of comics. When Sikoryak parodies Kate Beaton's Hark A Vagrant peasant comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement, Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Art of Tomorrow Kings Ashley Wood, 2016-05-10 The vibrant and mysterious world of Ashley Wood's *Tomorrow Kings* comes to life in this collection of art and photography. Documenting the lushly designed *Tomorrow Kings* figures by 3A alongside the kinetic art that

inspired the ideas, this coffee table art book is the ideal addition for any collection of Wood. This premiere North American edition includes new artwork and images, each selected by the artist.

Bluntman and Chronic Kevin Smith, Michael Avon

Oeming, Michael Allred, 2001 Popular Feature Film director/writer Kevin Smith (Chasing Amy, Dogma) brings his world famous slacker creations Jay and Silent Bob as their 'super-hero' personals : Bluntman and Chronic! Specifically timed to coincide with the release of Kevin's new film: Jay and Silent Bob Strike Back! (August 2001) This story is culled directly from what will become one of the summer's biggest smash releases! A photo cover ensures instant sales from film and movie buffs. Place it in the film or pop culture sections and to attract a whole new audience into the growing graphic novel genre.

Popbot Ashley Wood, Sam Kieth, 2006 Includes the first 6 issues of Wood's Popbot.

Treehouses Elizabeth Kuti, 2000-04-13 A new play from an award-winning playwright, published as part of the innovative Abbey Theatre playscript series On the day of her father's funeral, Eva - a young woman - is still haunted by the betrayal she witnessed from her childhood haven - the treehouse in the garden. On the same day another woman, Magda, relives the ghosts of another hiding place and a different betrayal - ghosts from which she still seeks forgiveness. Interweaving lives and secrets *Treehouses* is a magical tale of refuge, treachery and of love lost and found.
