The Yellow Sign Robert William Chambers,2020-09-28 That evening I took my usual walk in Washington Park, pondering over the occurrences of the day. I was thoroughly committed. There was no back out now, and I stared the future straight in the face. I was not good, not even scrupulous, but I had no idea of deceiving either myself or Tessie. The one passion of my life lay buried in the sunlit forests of Brittany. Was it buried forever? Hope cried “No!” For three years I had been listening to the voice of Hope, and for three years I had waited for a footstep on my threshold. Had Sylvia forgotten? “No!” cried Hope. I said that I was not good. That is true, but still I was not exactly a comic opera villain. I had led an easy-going reckless life, taking what invited me of pleasure, deploring and sometimes bitterly regretting consequences. In one thing alone, except my painting, was I serious, and that was something which lay hidden if not lost in the Breton forests. It was too late now for me to regret what had occurred during the day. Whatever it had been, pity, a sudden tenderness for sorrow, or the more brutal instinct of gratified vanity, it was all the same now, and unless I wished to bruise an innocent heart my path lay marked before me. The fire and strength, the depth of passion of a love which I had never even suspected, with all my imagined experience in the world, left me no alternative but to respond or send her away. Whether because I am so cowardly about giving pain to others, or whether it was that I have little of the gloomy Puritan in me, I do not know, but I shrank from disclaiming responsibility for that thoughtless kiss, and in fact had no time to do so before the gates of her heart opened and the flood poured forth. Others who habitually do their duty and find a sullen satisfaction in making themselves and everybody else unhappy, might have withstood it. I did not. I dared not. After the storm had abated I did tell her that she might better have loved Ed Burke and worn a plain gold ring, but she would not hear of it, and I thought perhaps that as long as she had decided to love somebody she could not marry, it had better be me. I, at least, could treat her with an intelligent affection, and whenever she became tired of her infatuation she could go none the worse for it. For I was decided on that point although I knew how hard it would be. I remembered the usual termination of Platonic liaisons and thought how disgusted I had been whenever I heard of one. I knew I was undertaking a great deal for so unscrupulous a man as I was, and I dreaded the future, but never for one moment did I doubt that she was safe with me. Had it been anybody but Tessie I should not have bothered my head about scruples. For it did not occur to me to sacrifice Tessie as I would have sacrificed a woman of the world. I looked the future squarely in the face and saw the several probable endings to the affair. She would either tire of the whole thing, or become so unhappy that I should have either to marry her or go away. If I married her we would be unhappy. I with a wife unsuited to me, and she with a husband unsuitable for any woman. For my past life could scarcely entitle me to marry. If I went away she might either fall ill, recover, and marry some Eddie Burke, or she might recklessly or deliberately go and do something foolish. On the other hand if she tired of me, then her whole life would be before her with beautiful vistas of Eddie Burkes and marriage rings and twins and Harlem flats and Heaven knows what. As I strolled along through the trees by the Washington Arch, I decided that she should find a substantial friend in me anyway and the future could take care of itself. Then I went into the house and put on my evening dress for the little faintly perfumed note on my dresser said, “Have a cab at the stage door at eleven,” and the note was signed “Edith Carmichael, Metropolitan Theater, June 19th, 189—.”

Kushiel's Avatar Jacqueline Carey,2007-04-01 A decade of peace has passed in Terre D'Ange, the country founded by the god Elua. Since the world's most famous courtesan saved her queen from assassination, Phèdre n? Delauny has been enjoying a quiet life until a prophetic dream calls upon her to serve her gods one last time. But what they ask may be too painful for even an anguisette to bear. When the young son of the traitor Melisande Shahrizai—Imriel de la Courcel, who stands third in line for the crown—is kidnapped, Phèdre enters an uneasy bargain to find the boy in exchange for the information that will free her beloved childhood friend Hyacinthe from his eternal imprisonment as the new Master of the Straits. When it becomes clear that Imriel's disappearance is part of a larger, far darker scheme, Phèdre knows it is her sacred duty to end it. At her side is her loving consort Josselin, who will also risk losing himself in Phèdre's gamble to rescue Imriel and save her country from a spreading darkness. And beyond her doubt, her fear, dangles the promise of a holy mystery so great that it could transform Phèdre into justice incarnate... or consume her in the flames of her own passion. All of Phèdre's journeys have led here, to the grandest of conclusions in an epic tale of fantasy, adventure, and, above all, love. *Kushiel's Avatar* is the stunning conclusion to Jacqueline Carey's epic trilogy.
