All About Me Staff, All about Me

Handmade in India Aditi Ranjan, M. P. Ranjan, 2007

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Hearts Rising Penelope Bell, 2019-04-14 AS THE PHOENIX RISES FROM THE ASHES, IT'S A TALISMAN OF STRENGTH AND RENEWAL It wasn't long before Victoria Hart realized she was destined to accept the mantra New Beginning. Bullied during her formative school years, she was more determined than ever to break free from the negativity and start anew. But life gets messy sometimes, and people aren't always what they appear to be. The feeling of being safe and secure can change in an instant, and once the mask comes off, hard choices need to be made-living with those choices can be even more difficult. Victoria finds herself living a lie. An abusive husband and a scandal rock her world, shattering her dreams, but rising up, she starts over-another new beginning. At her ten-year high school reunion, she's drawn to

Drew Anderson, who should be off limits for a multitude of reasons. Their time together solidifies their passion, and she finds herself having to make another life-changing decision, one which will impact any new beginning she had planned. Unbeknownst to her, a malevolence is brewing from the past, and she faces the choice of protecting and defending those she loves or sacrificing herself.
