*Introductory Grammar of Amharic* Wolf Leslau, 2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The

Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

*Grandmaster Tactics* Raymond D. Keene, 2008-01-01 Ray Keene was the first British player ever to gain a World Chess Federation Grandmaster result (Nice Olympiad, 1974). He has the rare distinction of having achieved the UK grand slam, winning the British Championship, the Lloyds Bank Masters and the Hastings Challengers, as well as being the highest-placed British player in the Hastings Premier tournament on two occasions. Additionally, he has won first prizes, gold medals and special awards in tournaments, Olympiads, continental and Commonwealth championships around the world from Adelaide, via Sydney to Hong Kong, Johannesburg, Valletta, Alicante, Barcelona, Gstaad,

Berlin, Dortmund, Glasgow and London. He writes on chess for the Times, Sunday Times, Spectator and International Herald Tribune. He has organized three World Chess Championships, written the world record 130 books on the game and has been awarded the OBE for services to chess. This book gives over 190 of his games, with special emphasis on the opening phase. Opponents include World Champions Euwe, Smyslov, Tal and Karpov, as well as challengers for the world title and World Championship candidates Korchnoi, Hubner, Larsen, Geller, Ivkov and Portisch - not forgetting top-rank British grandmasters, masters and champions such as Miles, Nunn, Hartston, Botterill and Peter Lee.

The Superhero Book Gina Misiroglu, 2012-04-01 Appealing to the casual comic book reader as well as the hardcore graphic novel fan, this ultimate AtoZ compendium describes everyone's favorite participants in the eternal battle between good and evil. With nearly 200 entries examining more than 1,000 heroes, icons and their place in popular culture, it is the first comprehensive profile of superheroes across all media, following their path from comic book stardom to radio, television, movies, and novels. The best-loved and most historically significant superheroes—mainstream and counterculture, famous and forgotten, best and worst—are presented with numerous full-color illustrations, including dozens of classic comic covers. Each significant era of the superhero is explored—from the Golden Age of the 1930s, 1940s, and 1950s through the Modern Age—providing a unique perspective

of the role of the hero over the course of the 20th century and beyond. This latest edition has been revised to reflect updates on existing characters, coverage of new characters, and recent films and media trends in the last several years.

**Water+Ink Coloring Book Winter 2020** Kim Winberry, 2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls and other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

*Peter Powning* Peter Powning, Gloria Hickey, Canadian Clay & Glass Gallery, New Brunswick Museum, 1996 In the past 25 years, Peter Powning has earned respect among connoisseurs of fine craft as one of Canada's most innovative ceramists. Many people recognize his distinctive and commercially successful raku pottery, but few realize that he is also a sculptor with an international reputation. Gloria Hickey has curated the first national solo exhibition of Powning's sculpture for the Canadian Clay and Glass Gallery,

and Peter Powning: Elemental Clay and Glass documents this exhibition with 40 colour and 12 black and white photographs. Powning has exhibited his clay, glass and bronze works in over 60 galleries in the Canada, the US, Germany, Scandinavia, the UK, Australia, New Zealand, China and Japan. He has brought home international honours from the Fletcher juried competition in Australia and the Mino International Ceramics Competition and the Kanazawa International Exhibition of Glass in Japan. In New Brunswick, he won the 1991 Deichmann Award for Excellence in Craft and the 1993 Strathbutler Award. Gloria Hickey's curatorial essay tells how and why Powning made the pieces in the exhibition. Candid yet sensitive, it assesses Powning's importance among Canadian ceramists and glass artists, and it interprets the interests and values that permeate not only his pottery and sculpture, but his personal life as well. Peter Powning's studio is at Markhamville, near Sussex, New Brunswick. He has served on the New Brunswick Arts Board, the Premier's Advisory Council on the Arts, and the New Brunswick Craft Council, and he has been a visiting artist at the Banff Centre. Gloria Hickey, a St. John's writer and curator, twice won the Betty Park Award of Merit for her contributions to critical writing about craft in North America. In 1994 she was nominated for the Imperial Oil Award Excellence in Arts Journalism.
