 macroeconomic theory text
 since its introduction in
 1978 this revision retains
 most of the text s traditional
 features including a middle
 of the road approach and
 very current research while
 updating and simplifying the
 exposition

startz s macroeconomics
relies on straightforward
explanations by
emphasizing concepts over
technique and fitting
difficult material into a
larger framework so
students can see its
relevance in the world the
authors explore state of the
art research while allowing
for flexibility in how much
to emphasize these topics
