The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

Vinland Saga Makoto Yukimura, 2015-09-29 WITHIN THE KING’S GRASP As Canute plots to become ruler of the entire Danish world, Thorfinn’s only ambition is to see a harvest profitable enough to buy his own life back. But the fates of prince and slave will come together once again, as Canute plans to seize Ketil Farm from its kindhearted master. What sinister tricks does the have up his sleeve, and could they dash Thorfinn’s hopes for freedom? Meanwhile, Einar’s infatuation with Arnheid takes an unexpected turn when her former husband – an escaped slave – barges onto the farm, insisting she run away with him... A fascinating, violent, and moving story [that’s] firmly among other timeless classics... Seriously, I don’t know how many different ways I can say this manga is worth reading. –Kotaku

The event triggers John's suppressed memories of the summer of 1957, when he was on his way to Las Vegas and crossed paths with a girl that was on the run, trying to get to the resort at Manhattan beach. They traveled together for a few days by stealing cars, until the police and her uncle caught up to them, with tragic results. As he investigates the brutal murders of several young girls, the past and present begin to blur in his mind.

My Darkest Years James Bachner, 2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.

Day of the Rangers Ambush Alley Ambush Alley Games, 2012-03-20 In the early 90s, Somalia was a country in chaos. As civil war raged, warlords carved out their own territories, enforcing their will through militia gangs, while famine compounded the situation. As a joint US-UN mission struggled to maintain order, the warlords began to unite behind Mohamed Farrah Aidid, who was to proclaim himself President of Somalia and embark upon a campaign to force the peacekeepers out of the country. Operations against Aidid and his strongholds intensified, culminating in the famous Operation Gothic Serpent, and the rescue mission to save a downed Black Hawk
