Blooming Origami Fumio Inoue,2006 Blooming Origami offers easy-to-follow and perfectly logical instructions that enable readers to create twenty-nine different 3-dimensional flowers by folding square origami paper into pentagons, hexagons and octagons. The flowers are presented by season, so, for example, in the spring, readers will learn to make the cherry blossom, dogwood, pansy violet, sweet, pea, lily-of-the-valley, climbing rose and hydrangea, among others; in summer, the morning glory, clematis, bougainvillea, lily, sunflower and dahlia; in fall, the gentian and chrysanthemum; while the narcissus, camellia, Adonis, tree peony, Kaffir lily and orchid can be found in the winter collection. The flowers themselves require no scissors or adhesive to make. Then with some floral tape and wire, they can be combined into beautiful arrangements, bouquets and even interior decorations. The designs in Blooming Origami, which are shown in vivid, full-color photographs, are stylized in the way of traditional Japanese origami flowers, different from the more realistic blooms in other books such as JPT's Origami Flowers.Renowned artist Fumio Inoue's motto is origami from hand to hand, which describes his mission to pass on to others, by demonstrating with his own hands, his art and ideas. Ever since his childhood in Tokyo, he has been passionate about origami paper folding. In 1970, he began creating innovative designs of his own to complement the traditional styles he loved so well. Now, in Blooming Origami, he shares his love for the craft by guiding even less experienced origamists in fashioning these glorious flowers for all seasons.

Japanese Kimono Paper Dolls Ming-Ju Sun,1986 Embodying an intricate blend of pattern and color, texture and composition, the Japanese kimono is a stunning garment with origins dating back to the Nara period (645?794). Its history is rich in tradition, culture, and art. Drawing her inspiration from the 18th- and 19th-century Japanese woodblock prints by such masters as Utamaro and Hiroshige, designer and fashion historian Ming-ju Sun has created this exotic collection of 26 exquisite costumes with two charming Japanese dolls to model them. The kimonos display a broad range of lovely fabrics ? from simple, practical cottons to luxurious silks and satins ? and a variety of traditional decorative elements ? geometrics, florals,

stripes, checks, plaids, animals, landscapes, Japanese characters, and circular crests. All are sensitively illustrated with clean line and lush color in the style of Japanese woodcuts.
