**The Words and Music of Frank Zappa** Bloomsbury Publishing,2006-04-30 This is the first book to move beyond the details of Zappa's biography toward a focused treatment of his songs. Zappa worked in a musical realm unfamiliar to many radio listeners. Today, his music can be appreciated as a whole, emerging as a coherent, thoughtful, innovative—if somewhat daunting—body of work. Lowe has left no aspect of that work unexamined, from Zappa's role as a satirist of the highest order, to his place in the genre of progressive rock, and his importance as one of the foremost critics of American culture and society. Zappa's messages—musical and lyrical—may not always be clear, but they are well worth considering. The volume begins with a discussion of Zappa's role as a satirist and a discussion of his musical style, and then proceeds to a prolonged examination of his albums. Through this extended engagement with Zappa's music, a surprisingly clear perspective on his personal views is also provided, shedding light on his treatment of such topics as the falsified notion of love in popular culture, the compromising influence of money on popular music, and the concept of freedom in a systematized society, among other things. The book also features an official discography and a bibliographic essay that discusses the current state of Zappa scholarship.

**Frank Zappa** Frank Zappa,Miles,1993 The story of Frank Zappa with quotes from the man himself.

**Papertoy Monsters** Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Like Casa Malaparte, this book offers an in-depth analysis of a single building through original documents, drawings, and photographs.

**Zanele Muholi** Yasufumi Nakori,Allen Sarah,2020 Born in South Africa in 1972, Zanele Muholi came to prominence in the early 2000s with photographs that sought to envision black lesbian, gay, bisexual, trans, queer, and intersex lives beyond deviance or victimhood. Muholi's work challenges hetero-patriarchal ideologies and representations, presenting the participants in their photographs as confident and beautiful individuals bravely existing in the face of prejudice, intolerance, and, frequently, violence. While Muholi's intimate photographs of others launched their international career, their intense self-portraits solidified it. The illustrations include images from the key series Muholi has produced over the past 20 years, as well as never-before-published and recent works. This book, and the exhibition it accompanies, present the full breadth of Muholi's photographic and activist practice. Exhibition: Tate Modern, London, UK (29.04-18.10.2020) / Maison Europ©benne de la Photographie, Paris, France (11.2020-02.2021) / Martin Gropius Bau, Berlin, Germany (03-07.2021) / Bildmuseet, Umea, Sweden (10.2021-03.2022).

Silencing the Past Michel-Rolph Trouillot,2015-03-17 Now part of the HBO docuseries Exterminate All the Brutes, written and directed by Raoul Peck The 20th anniversary edition of a pioneering classic that explores the contexts in which history is produced—now with a new foreword by renowned scholar Hazel Carby Placing the West's failure to acknowledge the Haitian Revolution—the most successful slave revolt in history—alongside denials of the Holocaust and the debate over the Alamo, Michel-Rolph Trouillot offers a stunning meditation on how power operates in the making and recording of history. This modern classic resides at the intersection of history, anthropology, Caribbean, African-American, and post-colonial studies, and has become a staple in college classrooms around the country. In a new foreword, Hazel Carby explains the book's enduring importance to these fields of study and introduces a new generation of readers to Trouillot's brilliant analysis of power and history's silences.

**The Toaster Project** Thomas Thwaites,2012-03-20 Hello, my name is Thomas Thwaites, and I have made a toaster. So begins The Toaster Project, the author's nine-month-long journey from his local appliance store to remote mines in the UK to his mother's backyard, where he creates a crude foundry. Along the way, he learns that an ordinary toaster is made up of 404 separate parts, that the best way to smelt metal at home is by using a method found in a fifteenth-century treatise, and that plastic is almost impossible to make from scratch. In the end, Thwaites's homemade toaster—a haunting and strangely beautiful object—cost 250 times more than the toaster he bought at the store and involved close to two thousand miles of travel to some of Britain's remotest locations. The Toaster Project may seem foolish, even insane. Yet, Thwaites's quixotic tale, told with self-deprecating wit, helps us reflect on the costs and perils of our cheap consumer culture, and in so doing reveals much about the organization of the modern world.

*Just-in-time Teaching* Scott Simkins,Mark H. Maier,2010 Just-in-Time Teaching (JiTT) is a pedagogical approach that requires students to answer questions related to an upcoming class a few hours beforehand, using an online course management system. While the phrase just in time may evoke shades of slap-dash work and cut corners, JiTT pedagogy is just the opposite. It helps students to view learning as a process that takes time, introspection, and persistence. Students who experience JiTT come to class better prepared, and report that it helps to focus and organize their out-of-class studying. Their responses to JiTT questions make gaps in their learning visible to the teacher prior to class, enabling him or her to address learning gaps while the material is still fresh in students' minds - hence the label just in time. JiTT questions differ from traditional homework problems in being designed not only to build cognitive skills, but also to help students confront misconceptions, make connections to previous knowledge, and develop metacognitive thinking practices. Students consequently spend more time on course concepts and ideas, but also read their textbooks in ways that result in more effective and deeper learning. Starting the class with students' work also dramatically changes the classroom-learning environment, creating greater student engagement. This book demonstrates that JiTT has broad appeal across the academy. Part I provides a broad overview of JiTT, introducing the pedagogy and exploring various dimensions of its use without regard to discipline. Part II of the book demonstrates JiTT's remarkable cross-disciplinary impact with examples of applications in physics, biology, the geosciences, economics, history, and the humanities. **The Ghastly One** Jimmy McDonough,2001 From 1965 to 1972 Andy Milligan made 20 exploitation movies. For him exploitation was no joke; it was his reality. But The Ghastly One isn't just about a lunatic with a movie camera. It's an anecdotal history of exploitation films, the birth of off-Broadway theater, the Warhol crowd, and the malevolent place called Times Square. 91 photos.
