The Courageous Follower Ira Chaleff, 2009-11 For every leader there are dozens of followers working closely with them. This updated third edition speaks to those followers and gives them the insights and tools for being effective partners with their leaders.

Drawings on a Bus Ellsworth Kelly, 2007 This reproduction of Ellsworth Kelly's 1954 Sketchbook 23 offers a rare glimpse into the celebrated artist's rigorous exploration of line, form and composition. Drawn into a blank book and forming a single continuous gesture over 25 pages as the artist saw and captured the changing fall of shadows while riding on a bus in Paris, Kelly's line pursues a path of eccentric discovery and distillation through subtle variations and bold transformations.
