Paper Crafting with Reny Renata Kolibova, 2020-10-28 □ Adventure awaits! Join me in visiting the fabulous Zoo and the various exotic animals we will craft together. The book will teach you how to make 30 animals divided into three sections: small, medium, and large animals. 10 Small animals such as a Toucan, Spider, or a cute Meerkat. 12 Medium sized animals like a Lion, a Wolf, or a Seal. 8 Large animals featuring an Elephant, Hippo, or Giraffe. All crafts are very easy to follow with super-clear illustrated instructions. □ Key details about this book The book does not contain templates All crafts require just a sheet of paper, glue and scissors The instructions in this book are visual and easy to follow Therefore the book requires no reading or language skill to enjoy □ Who will enjoy this book? Kids and you of course! It will be best used with children between 3-8 y.o. Parents who lack crafting inspiration and who want to spend quality time together with their children. Teachers will find it super useful for creative activities with small or full classroom. I am a teacher myself, and I wanted to design helpful tool for your busy day. The crafts typically take about 15 minutes to finish, so if you like to get something done in a short time you will love it! □ What is not in the book The book is not about complex crafts or source of printable templates. If you enjoy making realistic crafts like origami or advanced crafting techniques requiring a lot of time, then the book might not be for you. I am using only paper for my creations if you like other materials then you might not find it useful. About Reny author I'm a kindergarten teacher and have been a craft blogger since 2015, making paper craft videos and publishing books. I'm followed by millions of teachers and parents just like yourself from all around the globe. I create new crafts almost every day and share them on my social blogs under Paper Magic Reny.

Make Safari Animals Gillian Chapman, 2014-09-02 Make Safari Animals is a craft book for kids to learn how to make 15 animal crafts that actually turn into things they can use, including a crocodile secret safe, a parrot mobile and a giraffe storage box! As well as 15 animal craft ideas, the book contains a pull-out poster with amazing photos and fascinating facts for each safari animal to show kids what their crafts should look like. Plus more than 180 eye stickers are provided for kids to use with their crafts. This great-value children's craft book is guaranteed to give kids hours of fun! Each craft project has illustrated, step-by-step instructions to help kids make each animal, and then a photograph to show what the final craft should look like. Throughout there are helpful hints and tips, and each project states the difficulty level, time needed to complete, and whether an adult's help is needed. The materials needed are listed at the beginning, all of which can be found at home or at a craft store, so adults can get everything ready and understand the tools that their children need to use. Kids are also shown how to make similar crafts. For example, instead of making a hippo, make a rhino by adding a horn and a long tail. Finally, drawing templates are provided to help with the more difficult shapes. 15 animal craft ideas for kids to make: Elephant gift tag Flamingo door hanger Cheetah pop-out card Monkey paper chain Crocodile secret safe Hippopotamus bookend Python pencil topper Parrot mobile Wild dog sweet holder Meerkat bookmark Warthog piggy bank Lion photo holder Zebra rocking card Lizard magnet Giraffe storage box

Medical Anthropology Andrea S. Wiley,John Scott Allen,2013 An ideal core text for introductory courses, Medical Anthropology: A Biocultural Approach, Second Edition, offers an accessible and contemporary overview of this rapidly expanding field. For each health issue examined in the text, the authors first present basic biological information on specific conditions and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives on how these issues are understood. Medical Anthropology considers how a biocultural approach can be applied to more effective prevention and treatment efforts and underscores medical anthropology's potential to improve health around the world.
