Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Wildlife Wars Terry Grosz, 2015-07-15 In Wildlife Wars, Terry Grosz serves up fascinating stories-alternately hair-raising, hilarious, and heart-wrenching-from his 30-year struggle to protect wildlife in America. A natural storyteller, Grosz writes about the remarkable characters he met-on both sides of the law-as he matched wits with elk poachers, salmon snaggers, commercial-market duck hunters, and a host of other law-breakers. Best of all, though, these stories are so remarkably entertaining you won't want to put them down. Wildlife Wars is the winner of the 2000 National Outdoor Book Award, Nature and the Environment Category.

Zakāh Abdul Rehman Ansari,199? Zakah is one of the fundamental institutions in Islam. In importance, it is placed next to prayer. There is unanimity that Zakah is one of the five pillars of Islam. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

We Fight Monsters michael kurcina,2020-04-16 Quotes, maxims, short stories to provoke thought and give tired warrior's purpose and direction. The author is the founder of the website Spotterup.com. Spotter Up has 35+ writers who are accomplished former or active duty members of the Special Operations community (Green Berets, Navy SEALs, Rangers, Marine Scout Snipers, S.W.A.T, etc.), master-level shooters, special agents, case officers, athletes, and outdoor enthusiasts who like to share their knowledge with anyone interested in learning more about subjects such as fitness, nutrition, shooting, martial arts, mindset, survival, and far more. The writers of Spotter Up have completed nearly 900+ gear reviews on subjects such as: footwear, body, tactical clothing, armor, optics, and firearms and is known as a credible site for its opinions by the tactical industry. Spotter Up is about spotting a problem and coming up with solutions. Spotter Up promotes the idea of the classical whole man found in ancient texts. For our modern day he is a person who aspires to be the GUNFIGHTER, WRITER, WILDMAN, MONK: Man of Action, Man of Intellect, Man of Emotion, Man of Spirit. Consider the Athenian ideal of a balanced

education from the book *Greek Realities: Life and Thought in Ancient Greece*, By Finley Hooper They could play some flute but should not neglect wrestling. They avoided the excesses of life. They might focus on music or philosophy but spent enough time so that their bodies did not become soft. Spotter Up is for anyone, whether they are military, law-enforcement, emergency response or not, that is searching for ways to become more well-rounded. *We Fight Monsters* is a collection of quotes, maxims, poems and more written and posted by the author originally on Instagram, over a four-year period of time, as a way to provoke thought, and simultaneously inspire men and women. The author of *We Fight Monsters* hopes it helps readers transcend the ordinary world by relishing the unexpected. The book was written because many of the followers of Spotter Up's social media sites stated, the writing got me through some very hard times. The cover illustration is based off the Greek Hydra and the Hercules myth. Man has an internal struggle after he's battled a beast, and sometimes he must battle the beast within himself. He isn't a demigod. He's just a regular Joe who is a hero to many, that lives to win against evil. Maybe he's a Marine who did several deployments and lost some friends, maybe she's a cop fighting crime on the streets. The illustration symbolizes the brotherhood of man, (men and women), that fight the good fight despite experiencing PTSD, physical injuries, loss of friends, lovers etc. WE FIGHT MONSTERS. I'm not afraid of anything in this world that's been seen. I have scars on the inside. My badges of honor. There's a light inside my heart; it's for others to see. I live to show the way to those lost and in pain. And you? Walk with magnificence. Cock of the walk. Lead the way or follow those who use their pain to fight monsters and the injustices in this world ~Michael Kurcina.
