Guy Laliberté Ian Halperin,2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

I Suck at Girls (Enhanced Edition) Justin Halpern,2012-05-15 In I Suck at Girls, the enhanced e-book edition, Justin's famously opinionated father goes on camera for the first time, offering life advice on topics from marriage to profanity and debating the appeal of pornography in seven exclusive videos. Justin's father also tells his version of raising Justin with an essay written in prose as hilarious and poignant as his son's. In addition the enhanced e-book features nine exclusive photos from Justin's childhood. Human beings fear the unknown. So, whatever's freaking you out, grab it by the balls and say hello. Then it ain't the unknown anymore and it ain't scary. Or I guess it could be a shitload scarier. Fans of the #1 bestseller Sh*t My Dad Says will recognize the always-patient voice of Justin Halpern's dad as it crackles through the pages of this hysterical new book. The story begins when Justin takes his dad out to lunch to announce that he's decided to propose to his girlfriend. You've been dating her for four years, his dad replies. It ain't like you found a parallel fucking universe. But eventually he gives Justin some advice: that he should take a day off and think back over everything he's learned in life about women, relationships, and himself before making his decision. And that's just what Justin does—revisiting everything from his disastrous childhood crushes to the night he finally lost his virginity while working as a dishwasher at Hooters. I Suck at Girls is full of his dad's patented brand of wisdom. But it's also full of new characters just as funny as his dad—from his brother, who provides insights into wedding night rituals (You stand in one corner of the room, and she stands in the other. You each take off one piece of clothing at a time) to his first boss, who warns Justin to man up: That's what a man does. He takes his shots and then he scrubs the shit out of some dishes. The result is a pilgrim's progress through the landscape of sex and love—by one of the funniest writers at work today. Please note that due to the large file size of these special features this enhanced e-book may take longer to download then a standard e-book.

Kumba Africa Sampson Ejike Odum,2020-11-03 ‘KUMBA AFRICA’, is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven’t tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
