There are two background scenes as well as a cutout wardrobe and even the evil White Witch's winter sledge! Grimoire Arin Murphy-Hiscock, 2020-11-17 Craft a home for your witchcraft knowledge, secrets, new spells, and divinations with this beautifully designed, customizable grimoire to elevate and advance your witchcraft practice. A grimoire is a book of magic, where a witch chronicles all of her spells, rituals, recipes, herbs, incantations, and magic tools. It is where she can record her craft and all keep all the knowledge she has accumulated in one place—making it an essential part of her practice and a sacred text for other witches. In Grimoire, you'll find all the reference information you need for your witchcraft practice, from lists of lunar phases to popular herbs and crystals. But customization is the key to creating a deeply personal grimoire. With blank pages for you to record your own observations, spells, and rituals, you can personalize this grimoire to suit your own needs. Make this grimoire your own and chronicle all the magical wisdom and observations you have made—and pass it on for the generations to come.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
