If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Digging for Dirt Jaime Lowe,2008-11-25 A fan's exploration of the man behind the myth Ol' Dirty Bastard (aka Russell Jones) rose to fame with the Wu-Tang Clan in the early '90s, his unorthodox rap style and reputation for erratic behavior putting him in a media spotlight. As a solo artist, he released two albums that went gold and achieved crossover fame through a duet with Mariah Carey that debuted at number one on the Billboard charts. But for the next decade, his life would be fueled by chaos and excess until it derailed completely, resulting in a fatal drug overdose in 2004 and leaving behind an enigmatic legacy and a remarkably diverse group of fans. In a compelling combination of personal narrative, biography, and cultural criticism, *Digging for Dirt* explores ODB's life, career,

mythology, death, and the troubled trajectory of his public and private worlds. Jaime Lowe met with the people ODB affected and was most affected by—surviving members of the Wu-Tang Clan, his hip-hop contemporaries, his parents, his followers, his managers, his neighbors, and his friends—in an attempt to figure out the man behind the clown-prince persona, and the issues of race, celebrity, mental illness, and exploitation that surrounded his rise and fall.

The Little Hotel Christina Stead, 2016-10-03 'One of Australia's greatest novelists puts together...a crew as sad, funny and perverse as any ever gathered.' Time After the Second World War, bizarre characters from across the ruined continent have gathered at the 'fourth-rate' Hotel Swiss-Touring by Lake Geneva. Some are residents, while other guests have come for the season. In the claustrophobic atmosphere of the little hotel, their eccentricities and their desperation—their jealousies and vindictiveness—are all too apparent. First published in 1973, shortly before Christina Stead's return to Australia, *The Little Hotel* is a sharp, witty satire of changing lives in postwar Europe. Christina Stead was born in 1902 in Sydney. Stead's first books, *The Salzburg Tales* and *Seven Poor Men of Sydney*, were published in 1934 to positive reviews in England and the United States. Her fourth work, *The Man Who Loved Children*, has been hailed as a 'masterpiece' by Jonathan Franzen, among others. In total, Stead wrote almost twenty novels and short-story collections. Stead returned to Australia in 1969 after forty years abroad for a fellowship at the Australian National University. She resettled permanently in Australia in 1974 and was the first recipient of the Patrick White Award that year. Christina Stead died in Sydney in 1983, aged eighty. She is widely considered to be one of the most influential Australian authors of the twentieth century. 'This neat little volume will appeal to readers who enjoy historical fiction with a good dose of satire. Classic fiction from an award-winning Australian author.' BookMooch 'How to describe it? It's like a meteorite from Krypton landed on Ozlit's bindi-eye-riddled lawn, greenly glowing. Or perhaps a mosaic of imagined intimacies...Stead is a recording angel of the threadbare European middle class of the postwar years.' Saturday Paper 'In this highly confined setting, Stead creates a busy mini-Europe of petty and poignant crises, or

perhaps a molehill of The Magic Mountain. This is an excellent place for the Stead novice to begin enjoying her artistry.' STARRED REVIEW, Kirkus Reviews
