Losing My Religion William Lobdell,2009-03-06 William Lobdell's journey of faith—and doubt—may be the most compelling spiritual memoir of our time. Lobdell became a born-again Christian in his late 20s when personal problems—including a failed marriage—drove him to his knees in prayer. As a newly minted evangelical, Lobdell—a veteran journalist—noticed that religion wasn't covered well in the mainstream media, and he prayed for the Lord to put him on the religion beat at a major newspaper. In 1998, his prayers were answered when the Los Angeles Times asked him to write about faith. Yet what happened over the next eight years was a roller-coaster of inspiration, confusion, doubt, and soul-searching as his reporting and experiences slowly

chipped away at his faith. While reporting on hundreds of stories, he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders. He investigated religious institutions that acted less ethically than corrupt Wall St. firms. He found few differences between the morals of Christians and atheists. As this evidence piled up, he started to fear that God didn't exist. He explored every doubt, every question—until, finally, his faith collapsed. After the paper agreed to reassign him, he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt. *Losing My Religion* is a book about life's deepest questions that speaks to everyone: Lobdell understands the longings and satisfactions of the faithful, as well as the unrelenting power of doubt. How he faced that power, and wrestled with it, is must reading for people of faith and nonbelievers alike.

The Joy of the Gospel Pope Francis, 2014–10–07 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the

importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Inherit the Wind Jerome Lawrence, Robert E. Lee, 2003-11-04 A classic work of American theatre, based on the Scopes Monkey Trial of 1925, which pitted Clarence Darrow against William Jennings Bryan in defense of a schoolteacher accused of teaching the theory of evolution The accused was a slight, frightened man who had deliberately broken the law. His trial was a Roman circus. The chief gladiators were two great legal giants of the century. Like two bull elephants locked in mortal combat, they bellowed and roared imprecations and abuse. The spectators sat uneasily in the sweltering heat with murder in their hearts, barely able to restrain themselves. At stake was the freedom of every American. One of the most moving and meaningful plays of our generation. Praise for *Inherit the Wind* A tidal wave of a drama.—New York World-Telegram And Sun “Jerome Lawrence and Robert E. Lee were classic Broadway scribes who knew how to crank out serious plays for thinking Americans. . . . *Inherit the Wind* is a perpetually prescient courtroom battle over the legality of teaching evolution. . . . We’re still arguing this case—all the way to the White House.”—Chicago Tribune “Powerful . . . a crackling good courtroom play . . . [that] provides two of the juiciest roles in American theater.”—Copley News Service “[This] historical drama . . . deserves respect.”—The Columbus Dispatch

Introduction to Christian Theology Dr. Justo L. Gonzalez, Zaida Maldonado Perez, 2011-07-01 This book helps beginning theological students grasp the basics of Christian theology. Consciously avoiding the perspective of one school of thought or confessional tradition, the authors provide the reader with a brief, broad overview of the questions and contents of theological

study. Their accessible use of language, clear organization, and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time. In the words of its authors, this book offers an introduction 'to the fuller spectrum of Christian theology as it has developed through the centuries.' Few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as Gonzalez and Perez. The chapter on Jesus Christ, for example, presents concise summaries of the treatments of Christ's person leading up to Chalcedon, while suggesting a need for a multiplicity of images in understanding the work of Christ that liberates the whole person and restores all creation. Beginning students, as a result, are invited into a living theological conversation, where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation. Broadly ecumenical in tenor, with reference to theologians from nearly every century, the work should appeal to both a popular readership and introductory students in college and seminary. One disappointing aspect of the book is an absence of Latino/a, feminist, and liberation perspectives. For a work that argues for the contextuality of all theology, and from authors whose previous work has been monumental in Hispanic theological education, this lack is surprising.---David H. Jensen, Austin Presbyterian Theological Seminary, in Religious Studies Review, Volume 29 Number 3, July 2003.
