Golden Age Christopher McGlothlin, 2006-05 They didn't call it the Golden Age of super-heroes for nothing: the 1930s and '40s gave us the most famous and enduring icons of the comics as well as the greatest battle between good and evil in the 20th century. With *Golden Age*, you can take your Mutants & Masterminds games back to that bygone era: play the world's very first heroes, defenders of freedom and democracy in a world on fire, engulfed in war. *Golden Age* presents a complete history of the Golden Age of comic books, and then shows you how to re-create those exciting tales with the World's Greatest Super-hero RPG. It has an overview of the Golden Age era, guidelines for building Golden Age heroes (along with ready-made hero archetypes) and all the information you need to set up and run your own Golden Age series. It also includes a complete look at the Golden Age era of the four-color Freedom City campaign setting.

Paper Heroes Steven Heumann, 2018-12-14 The bigger the hero, the bigger the lie. Stewart Mitchell is a nobody, until he witnesses a terrorist attack that changes the world. Right place right time, or did someone want him in the heat of the explosions? Who's pulling his strings? Who wants retribution? Each choice Stewart makes leads him deeper into a world of fake heroes and villains. The road to hell? Stewart's paving it as fast as he can. Get ready for a super hero thriller where the good guys don't stand a chance. The hunt for Retribution is on! You'll love Paper Heroes. Pick up your copy today! The SPECIAL EDITION includes original artwork, character designs, and unused covers. AUTHOR INTERVIEW: How did you become a novelist? I actually worked in television for 15 years producing and writing an outdoor adventure show called At Your Leisure. I'd produced literally hundreds of scripts and shot countless hours of programming. When I needed a break, I'd write Paper Heroes. After a while it became obvious where my attention needed to be focused, so I left television behind and jumped face-first into publishing. It's been a hell of an adventure, with plenty of ups and downs, but at the end of the day, this is where I need to be. Why did you choose to write a serious and compelling superhero book? I don't like easy answers. After reading comics since I was 9-years-old I found too many easy outs and not enough consequence. 'Paper Heroes' took all of the ideas I had about heroism, cynicism, and the hard choices we have to make in life and threw them

together in one grounded story. I love when I find myself asking what I would do in a character's circumstances, how I might do things differently, and that's what I've done here. I want people to not only question Stewart Mitchell's choices, but question what they would do in his place. Would they risk everything or just go along for the ride? Those are the stories I love. Is 'Paper Heroes' just for superhero or comic book fans? No way. I wrote this story to be the antithesis of comic books and the rehashed stories we hear over and over again. Paper Heroes is for EVERYONE. If you love superheroes, you'll LOVE Paper Heroes. If you're sick of superheroes and want something new, you'll LOVE 'Paper Heroes.' Praise for 'Paper Heroes': Unpredictable, great pacing, fantastic read! - Z.C. The novel hooked me, I wanted to go on this journey with the characters. - M.J. Exciting, fast-paced twist on a super hero story! - A.G

Super Corporate Heroes Vol. 1 Miguel Guerra, Suzy Dias, 2013-11 Concept To slap a satirical spin on the ludicrous nature of the financial crisis. As Jackie Chan is to Bruce Lee, so Super Corporate Heroes is to Alan Moore's Watchmen. Bare Bones Summary The corruption of ideals. Synopsis After powerful companies (and lobbyists) decimate the golden age of non-profit superheroes, new rules are designed and a new generation of superheroes use their extraordinary powers to earn a living. In this alternate reality, superheroes must be licensed by a mega insurance company called Superhero, Inc and people pay to be rescued. Saddle up for the absurdly modern misadventures of these working superheroes. The narrative thread weaves around short vignettes detailing key moments in the lives of various superheroes that work for Superhero, Inc. The benefits of working for the company are fame and fortune. Their celebrity can dwarf the paparazzi frenzy

of Hollywood stars and all-star athletes combined. The top earner and most famous is American Icon, a former country music star. His invulnerable strength is only matched by his binge drinking and playboy lifestyle. The hardest working superhero is Ms. Titanium. She's just as strong as American Icon, but when she found out she's only paid half his salary, she walks out to plot her revenge. Then there's the working stiff heroes, who are overworked and often punished for saving people without a license. Enter Blue Collar (a.k.a. Hero in a Hatchback), a divorced father of three with more bills than cash, and Spinlar, a half fly, half spider Brazilian heartthrob who's trying to live the American dream. His one problem? Spinning a web from his back end can keep even the best superhero's career from advancing.
