How to Make Adorable Baby Animal Dolls Jonni Good,2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!

Hi! I'm a mom to a little girl, and I was looking for a way to help celebrate the holidays in an educational way. That is when I decided to create a holiday word search series. My goal was to have a quick and fun way to introduce new words and have fun while doing it! I'm proud of this book. There are 37 word searches with more than 140 words. This word search is for 4-7 year old kids. I keep things simple so it will be enjoyable for children as they learn how to do word searches. All of the puzzles have four words to find. As the child progresses through the book, the matrix size increases and the word length increases. So the puzzles at the beginning of the book are the easiest and the puzzles at the end of the book are the hardest. I wanted to start with the simplest puzzles first to build a child's confidence and desire to do more puzzles. There is a solutions section in the back if there is a need to help locate a word you can't find in the word search. There is also one extra in this book! On each even numbered page, (the left side of the book when it is open) I added in lined paper for writing practice. This is for spelling practice or just random notes! I really hope you and your kiddo enjoy this book and find it helpful! - Melissa
