### **Your Cabin in the Woods** Conrad E

Meinecke, 2023-12-18 2015 Reprint of 1945 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. If you want to build your own fireplace, or your own cabin in the woods with its wood-burning fireplaces, this book contains cabin plans and detailed instructions you will need. Written for the novice, it not only tells about cabins and fireplaces and how to build them, but about back garden fireplaces, designs for rustic furniture, out-door cooking menus, gateways, guard-rails and fences. It is filled with philosophy and wisdom on living in the out-of-doors. Meinecke was a well-known master cabin builder and do-it-yourself man. He not only wrote the book, but he printed the original edition himself on a small press in his own home and bound it in craft cloth laced together with stout cord. Still considered a classic work.

**By Schism Rent Asunder** David Weber, 2008-07-22 The sequel to the New York Times best seller Off Armageddon Reef The world has changed. The

mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's *By Schism Rent Asunder*. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3.
