**Celestial Being** Noboru Kimura,Hajime Yodate,Yoshiyuki Tomino,2010 The novelization of the hit anime series! The year is 2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. The three orbital elevators belong to three superpower blocs. These are the Union, led by the United States of America; the Human Reform League, led by China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.

Manuscripts Don't Burn J.A.E. Curtis, 2013-01-28 \_\_\_\_\_ 'Curtis spent a decade trying to negotiate her way past possessive Soviet archivists, and the result of her persistence is the most comprehensive selection of personal documents so far available in any language' - Simon Franklin, Times Literary Supplement 'Ingeniously structured ... an absorbing and, at times, uplifting book' - Robert Russell, Modern Language Review 'An engaging and readable story of a life which wears its scholarship lightly ... Rich and exciting material' - Jane Grayson, Slavonic and East European Review 'Produces a lovely collage effect, the verbal equivalent of the photo album or scrapbook' - Laura D. Weeks, Russian Review \_\_\_\_\_

A reissued edition of the definitive biography of Mikhail Bulgakov, author of *The Master and Margarita* The Russian playwright and novelist Mikhail Bulgakov (1891 - 1940) is now widely acknowledged as one of the giants of twentieth-century Soviet literature, ranking with such luminaries as Pasternak and Solzhenitsyn. In his own lifetime, however, a casualty of Stalinist repression, he was scarcely published at all, and his plays reached the stage only with huge difficulty. His greatest masterpiece, *The Master and Margarita*, a novel written in the 1930s in complete secrecy, largely at night, did not appear in print until more than a quarter of a century after his death. It has since become a worldwide bestseller. In *Manuscripts Don't Burn*, J.A.E. Curtis has collated the fruits of eleven years of research to produce a fascinating chronicle of Bulgakov's life, using a mass of exciting new material - much of which has never been published before. In particular, she is the only Westerner to have been granted access to either Bulgakov's or his wife Yelena Sergeyevna's diaries, which record in vivid detail the nightmarish precariousness of life during the Stalinist purges. J.A.E. Curtis combines these diaries with extracts from letters to and from Bulgakov and with her own illuminating commentary to create a lively and highly readable account. Her vast collection of Bulgakov's correspondence is unparalleled even in the USSR, and she draws on it judiciously to include letters addressed directly to Stalin, in which Bulgakov's pleads to be allowed to emigrate; letters to his sisters and to his brother in Paris whom he did not see for twenty years; intimate notes to his second and third wives; and letters to and from well-known writers such as Gorky and Zamyatin. *Manuscripts Don't Burn* provides a forceful and compelling insight into the pressures of day-to-day existence for a man fighting persecution in order to make a career as a writer in Stalinist

Russia.

**Manga Matrix** Hiroyoshi Tsukamoto,2006-08-08 Manga Matrix presents an easy grid method for mastering manga, an increasingly popular comic style. Using this unique Japanese system, artists can plot and cross-section elements on a matrix diagram to create an infinite number of original characters, creatures, and multiformed beasts. Angels, demons, dragons, monsters, and robots are all included in this book, along with descriptions of costumes and personalities for each. Manga Matrix is unlike any other manga instructional guide and is an invaluable resource for both the budding artist and the polished professional.

**Happiness 6** Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

*Dominion from Sea to Sea* Bruce Cumings,2009-11-17 America is the first world power to inhabit an immense land mass open at both ends to the world's two largest oceans--the Atlantic and the Pacific. This gives America a great competitive advantage often overlooked by Atlanticists, whose focus remains overwhelmingly fixed on America's relationship with Europe. Bruce Cumings challenges the Atlanticist perspective in this innovative new history, arguing that relations with Asia influenced our history greatly. Cumings chronicles how the movement westward, from the Middle West to the Pacific, has shaped America's industrial, technological, military, and global rise to power. He unites domestic and international history, international relations, and political economy to demonstrate how technological change and sharp economic growth have created a truly bicoastal national economy that has led the

world for more than a century. Cumings emphasizes the importance of American encounters with Mexico, the Philippines, and the nations of East Asia. The result is a wonderfully integrative history that advances a strong argument for a dual approach to American history incorporating both Atlanticist and Pacificist perspectives.

**HANAMONOGATARI** NISIOISIN,2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an "injury," is starting her senior year and the narrator of this volume—her voice far more introspectivethan the smutty jock's we thought we knew. Bereft of the company of her beloved mentors, the only other person around her with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey's Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a "wax flower" to take the characters' meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however, still be aggressive?

**NEKOMONOGATARI (WHITE)** NISIOISIN,2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary

unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

**Kaoru Mori: Anything and Something** Kaoru Mori,2018-09-25 At times hilarious, at others heartwarming, this collection of short stories penned by one of Japan's most talented artists is a perfect addition to any library! A young girl discovers that new glasses give her a whole new perspective on the world, a bunny-girl waitress learns to cope with her male customers with dignity, an introverted art student inspires her fellow club members even as she takes inspiration from them, and more! Fans of Mori will enjoy seeing concept designs and historical notes from her award-winning series, as well as Mori's own brand of enthusiastic commentary throughout.

TSUKIMONOGATARI NISIOISIN,2019-10-08 Launching the third or “Final Season” of the international cult-hit series, *Possession Tale* returns the narrator’s headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it’d lower his “intensity as a human”—a loner’s misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he’d aid, sight unseen, with a monster’s resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means “calendar” but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

**Crimson Spell, Vol. 1 (Yaoi Manga)** Ayano Yamane,2013-09-30 Upon wielding an ancient sword that has been passed down through his royal family for generations, Prince Vald is struck by a curse that turns him into a demon! In search of guidance, Vald appeals to the powerful sorcerer Halvi for help, and the two set out on a journey to break the curse. However, there is one thing the handsome sorcerer is keeping secret from the young prince—the raging demon that Vald turns into every night can only be calmed when Halvi satisfies his lust! And so begins their epic journey in search of clues to break the young prince’s curse. -- VIZ Media
