Create Your Life Book Tamara Laporte, 2017-12-19

Inspired by artist Tamara Laporte's popular online art classes (willowing.org), Create Your Life Book presents 18 step-by-step mixed-media drawing and painting projects that encourage self-fulfillment through the creative process. Tamara's kind, non-judgmental voice guides your way. What is holding

you back? Where do you want to go? Let go of the past! Use these expressive exercises to help you recognize your personal challenges and other obstacles, then work through them. Let go of limiting beliefs, find courage, feel gratitude, heal pain, and develop self-love as you playfully create. Each themed chapter presents four to five two-part projects. First, you will explore a common issue that hampers creativity and/or positive self-worth. The second portion is a step-by-step mixed-media art project designed to help you work through that issue. Just a few of the explorations: Let go of what no longer serves you by taking stock of what's holding you back, then create a zentangle butterfly to symbolize you flying away from those limiting things. Embrace and love your inner quirky bird by taking an inventory of your quirky traits, then create a bird that celebrates them. Heal old wounds by writing a letter to yourself as a child, then create a house to keep your inner child safe. Adding rich variety to the messages and art inspiration, some of the project outlines have been contributed by Tamara's guest teachers: Roxanne Coble, Andrea Gomoll, Alena Hennessy, Mystele Kirkeeng, Ivy Newport, and Effy Wild, each of whom are noted mixed-media artists in their own right. The final chapter presents a simple binding method for creating a keepsake book of your Life Book projects. Steeped in inspirational images and uplifting affirmations, Create Your Life Book can help you achieve both personal and creative growth.

Gothic Valerie Steele, Jennifer Park, 2008 Popularly associated with black-clad teenagers and rock musicians, gothic fashion encompasses not only subcultural styles (from old-school goth to cyber-goth and beyond) but also high fashion by

such designers as Alexander McQueen, John Galliano of Christian Dior, Rick Owens, Olivier Theyskens, and Yohji Yamamoto. Fashion photographers, such as Scan Ellis and Eugenio Recuenco, have also drawn on the visual vocabulary of the gothic to convey narratives of dark glamour. As the text and lavish illustrations in this book suggest, gothic fashion has deep cultural roots that give it an enduring potency. Valerie Steele is director and chief curator of The Museum at the Fashion Institute of Technology (FIT). -- BOOK JACKET.

Claude Monet Claire Joyes, Claude Monet, 1985 For forty-three years Monet lived and painted at Giverny and he created there one of the loveliest gardens ever known. For the first time, in this book both the gardens Monet planted and the gardens as they have been lovingly restored by Gérald Van der Kemp are seen together. In his introduction Van der Kemp tells how he brought the badly neglected garden and house back to their original condition. The restored gardens are beautifully photographed by Jena Barhto. In her fascinating essay, Claire Joyes captures Monet's vigor and great love of life, his temper and his famous cuisine. To accompany the essay the Monet family has contributed many period photographs of the irascible old master. The gardens inspired some of Monet's greatest painting -- the Water Lilies, (the Nymphaea) the Grand Allée. Seeing them side by side with the gardens as they are now and as they were is a great delight, and with Claire

Joyes' text the book is an important aid in understanding Monet both as man and as painter. -- From publisher's description.
