What If You Had Animal Teeth? Sandra Markle,2017-01-31 If you could have any animal's front teeth, whose would you choose? What If You Had Animal Teeth!? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.

This book brings a fresh eye to classic patchwork patterns in a way that is delighting quilters all around the world today. Here, Kuroha shares her intricate hand-quilting techniques and a design sense that has been refined over her 40-year career as a celebrated book author and teacher. Her easy combinations of soft colors, detailed patterns, and bold stripes show how to achieve balance and flow in any type of patchwork project--from the simplest to the most complex. Step-by-step illustrations walk quilters through Kuroha's intricate hand-piecework process. The book includes 19 sampler blocks used to make hundreds of different combinations for all kinds of quilting projects. The photos and diagrams of the block assembly are so clear, you hardly need to read the steps! A handy printable pattern sheet at the back of the book takes the

labor out of drawing the pieces used to build these blocks. Detailed instructions show you how to incorporate the blocks into projects large and small, including: Pincushions in round and square designs Drawstring bags and zippered pouches embellished with patchwork Quilted tote bags and a stylish backpack Table runners and wall hangings with gorgeous color schemes Full-sized quilts destined to become cherished heirlooms This book is an invaluable introduction to the basics of hand-stitched piecwork. Practiced quilters will also love it for the way it broadens their horizons. Kuroha fans will be happy to see this popular book finally available in English--where it's sure to become a treasured reference for years to come!

- Where Does the Brown Bear Go?** Nicki Weiss,1998 When the lights go down on the city street and the sun sinks far behind the seas, the animals of the world are on their way home for the night.
- I Miss You All Day, All Week** Konnilaree Sanders,2016-05-25 Abigail is a little girl who is worried about missing her father while he works. They spend time together to think about the adventures to be had when the weekend comes.
- Origami Puzzles** Marc Kirschenbaum,2013-02-02 Some puzzles work very well as origami models - all of these works are based on existing puzzle designs. Providing the opportunity to fold your own pieces makes the geometric relationships of the pieces more apparent, but not necessarily easier to solve. Every effort was made to have the pieces for these puzzles begin with the same sized square.
