Draculina #1 Christopher Priest, 2022-02-09 One child, two destinies: who is the daughter of Lilith of Drakulon? Is she a streetwise runaway human preteen, or is she Vampirella's deadly siren nightstalker evil twin? Two souls linked by a reality-jumping demon struggle for control of their own destiny as Draculina, Lilith's first and most beloved daughter, is brought into Vampirella's reality and linked to an alternate

version of herself by a cursed candle which warps reality when lit, swapping Draculina with her other possible “self”—a tough homeless preteen struggling to make it on her own while being constantly drawn into Draculina’s schemes. Establishing a secret identity for herself as “River East”, high-profile socialite daughter of the missing and presumed dead Lilith Ogden Eastaughffe, Draculina presses forth with a secret, evil agenda of bloody retribution against everyone who’s ever done her wrong, with only Katie—her alt-self—standing between her and her deadly goals. Draculina is a wild, fast-paced ride through the literal reverse sensitivities of our altruistic Vampirella, brought to you by Vampire scribe Christopher Priest and Vengeance of Vampire artist Michael Sta. Maria! Buckle up for one dark, wild ride!

Maskelyne's Book of Magic Jasper

Maskelyne, 2013-04-10 A charming glimpse of stage magic in the early twentieth century, this engaging manual's time-honored tricks range from sleight of hand with coins, cards, and rope to thought-reading and juggling. Written by a famous magician, its tried-and-true feats and performance tips are illustrated by sixty figures and thirteen vintage photographs. A British stage magician of

the 1930s and '40s, Jasper Maskelyne was a third-generation performer in a well-known family of illusionists. During World War II, Maskelyne assembled a squad known as the "Magic Gang" to misdirect Axis bombers and camouflage the activities of the Allied forces with illusions of tanks, battleships, and armies. This new edition of his captivating classic features an introduction by magic historian and author Edwin A. Daves that recounts Maskelyne's larger-than-life career and exploits.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

How to Make Adorable Baby Animal Dolls Jonni
Good, 2013-06 In this book the author shows you
exactly how to make your own adorable baby animal
collector's dolls, leading you through the entire
process every step of the way. Your dolls won't
cost much to make, and every doll will be an
original, one-of-a-kind work of art. Since no two
dolls ever come out exactly alike, each doll will

have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!

Miss Behave Traci Highland, 2018-07-02 She's great at giving advice, too bad she never takes it... Piper Anderson wants to be a serious journalist at a serious paper covering serious news. Instead, she's stuck at the Pendleton Falls Herald, where her massive investigative skills are wasted penning the paper's advice column, *Miss Behave*. Her shot at a meaty story comes when she's assigned to write up a profile of a local business, Brookes Jewelers. She is determined to write the piece so she can use the article to impress a real paper. Unfortunately Hunter Brookes, co-owner of Brookes Jewelers and the Pendleton Falls Herald, is rather persistent, in his own hot little way, that the piece should be nothing more than a glorified sales pitch. But when diamonds disappear, Piper may get the chance to do a real investigation, leading her to confront family secrets and worst of all, turn to her mother for help. Piper soon realizes that there is more to Mr. Brookes than a tight ass and a ridiculous fascination with name tags. Together they deal with roasted pigs, crazy cat ladies, and gun-toting fashionistas. In all the chaos, they

just might find the one thing that neither one was looking for: true love.

Black or White, Vol. 2 Sachimo, 2021-12-14 For these two typecast actors, love can't always be black or white. As their careers advance, can these two endure all eyes being on them not just in public but in private too? Shin and Shige—actors at various stages in their careers—are secretly lovers, and to give Shin's career a chance, Shige decides to keep his distance for a bit, a decision Shin is firmly against. But Shin's newfound success is causing a different issue—their renewed intimacy has Shige feeling very possessive of him. Now that he has to share his lover with the world, will Shige's dark feelings turn him from the princely character into the villain?
