Make Your Own Paper Toys, 1984 Detailed instructions for making ten toys from light cardboard.

Wait Till Helen Comes Mary Downing Hahn, 2008-04-21 Twelve-year-old Molly and her ten-year-old brother, Michael, have never liked their seven-year-old stepsister, Heather. Ever since their parents got married, she's made Molly and Michael's life miserable. Now their parents have moved them all to the country to live in a house that used to be a church, with a cemetery in the backyard. If that's not bad enough, Heather starts talking to a ghost named Helen and warning Molly and Michael that Helen is coming for them. Molly feels certain Heather is in some kind of danger, but every time she tries to help, Heather twists things around to get her into trouble. It seems as if things can't get any worse. But they do—when Helen comes.

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story

peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Abandoned Boudoir, 2010

The Architecture of Suspense Christine Madrid

French, 2022-09-08 The inimitable, haunting films of Alfred Hitchcock took place in settings, both exterior and interior, that deeply impacted our experiences of his most unforgettable works. From the enclosed spaces of *Rope* and *Rear Window* to the wide-open expanses of *North by Northwest*, the physical worlds inhabited by desperate characters are a crucial element in our perception of the Hitchcockian universe. As Christine Madrid French reveals in this original and indispensable book, Hitchcock's relation to the built world was informed by an intense engagement with location and architectural form—in an era marked by modernism's advance—fueled by some of the most creative midcentury designers in film. Hitchcock saw elements of the built world not just as scenic devices but as interactive areas to frame narrative exchanges. In his films, building forms also serve a sentient

purpose—to capture and convey feelings, sensations, and moments that generate an emotive response from the viewer. Visualizing the contemporary built landscape allowed the director to illuminate Americans' everyday experiences as well as their own uncertain relationship with their environment and with each other. French shares several untold stories, such as the real-life suicide outside the Hotel Empire in *Vertigo* (which foreshadowed uncannily that film's tragic finale), and takes us to the actual buildings that served as the inspiration for *Psycho*'s infamous Bates Motel. Her analysis of *North by Northwest* uncovers the Frank Lloyd Wright underpinnings for Robert Boyle's design of the modernist house from the film's celebrated Mount Rushmore sequence and ingeniously establishes the Vandamm House as the prototype of the cinematic trope of the villain's lair. She also shows how the widespread unemployment of the 1930s resulted in a surge of gifted architects transplanting their careers into the film industry. These practitioners created sets that drew from contemporary design schools of thought and referenced real structures, both modern and historic. *The Architecture of Suspense* is the first book to document how these great architectural minds found expression in Hitchcock's films and how the director used their talents and his own unique vision to create an enduring and evocative cinematic world. Publication of this volume was assisted by a grant from Furthermore: a program of the J. M. Kaplan Fund

An Introduction to Language and Linguistics Ralph Fasold,Jeffrey

Connor-Linton,2006-03-06 This accessible textbook is the only

introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly excellent coverage of the full range of modern linguistics.

Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full

coverage of contextual linguistics, including separate chapters on

discourse, dialect variation, language and culture, and the politics of

language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language

acquisition, and second-language learning. The breadth of the textbook

makes it ideal for introductory courses on language and linguistics

offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

To Kill a Mockingbird Harper Lee,2014-07-08 Voted America's

Best-Loved Novel in PBS's The Great American Read Harper Lee's

Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent

hatred One of the most cherished stories of all time, To Kill a

Mockingbird has been translated into more than forty languages, sold

more than forty million copies worldwide, served as the basis for an

enormously popular motion picture, and was voted one of the best

novels of the twentieth century by librarians across the country. A

gripping, heart-wrenching, and wholly remarkable tale of coming-of-

age in a South poisoned by virulent prejudice, it views a world of

great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

The Doll's Alphabet Camilla Grudova, 2017-10-17 This doll's eye view is a total delight and surveys a world awash with shadowy wit and exquisite collisions of beauty and the grotesque. —Helen Oyeyemi, author of *Boy, Snow, Bird* Down to its most particular details, *The Doll's Alphabet* creates an individual world—a landscape I have never encountered before, which now feels like it was been waiting to be captured, and waiting to captivate, all along. —Sheila Heti, author of *How Should a Person Be* Marvellous. Grudova understands that the best writing has to pull off the hardest aesthetic trick—it has to be both memorable and fleeting. —Deborah Levy, author of *Hot Milk Dolls*, sewing machines, tinned foods, mirrors, malfunctioning bodies—by constantly reinventing ways to engage with her obsessions and motifs, Camilla Grudova has built a universe that's highly imaginative, incredibly original, and absolutely discomfiting. The stories in *The Doll's Alphabet* are by turns child-like and naive, grotesque and very dark: the marriage of Margaret Atwood and Angela Carter. Camilla Grudova lives in Toronto. She holds a degree in Art History and German from McGill University, Montreal. Her fiction has appeared in *The White Review* and *Granta*.

The Mist Stephen King, 2017-05-23 #1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his

son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.
