Mermaids and Martinis Hilary Pereira,2012-04-24 Don't host a party-host a memory. Everyone loves to throw the perfect party-the one all your friends talk about. Today, everyone is searching for ways to save and still do the things they love in a big way, and almost everyone is craving for creative ideas and solutions to celebrate their lives in a big way-on a tiny budget. New York party-planner Hilary Pereira has happily played hostess and rolled out the red carpet for celebrities such as Jerry and Jessica Seinfeld, Kanye West, Josh Duhamel, Helen Hunt, Vanessa Carlton, Allison Krauss, Helena Christensen, Jane Krakowski, John Legend, Nigel Barker and Danity Kane-just to name a few. And as much as she loves hosting wonderful parties for celebrities, her favorite fetes are the ones she hosts for family and friends. *Mermaids & Martinis* is a book to teach you creative ways to economize, but also to remember to turn your party into a memory. You may be asking yourself: Why a Mermaid? Look no further than this quote from Louisa May Alcott to capture the essence of our main character: She was one of those happily created beings who please without effort, make friends everywhere and take life so gracefully and easily that less fortunate souls are tempted to believe that such are born under a lucky star.

It's a great little world full of possibilities. We wish you lots of fun on your journey of discovery and learning!

Mythical Me Richella Parham, 2019-10-22 IVP Readers' Choice Award Do you ever find yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of

comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh perspective.

The Strange Case of Origami Yoda (Origami Yoda #1) Tom Angleberger, 2012-08-07 In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren't strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight's classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, and hailed by *School Library Journal* as "honest, funny, and immensely entertaining."
