From sewn and stuffed musical instruments to interlocking paper building blocks and wooden animal figurines, the projects in this book are meant to encourage open-ended play. Organized by kid-loving subjects, the toys here follow the themes of Zoo; House; Blocks, Cars & Trucks; Dress-Up; Music; and Art. The toys presented here are made out of wonderfully tactile materials—repurposed fabrics, wood, and paper—and invite opportunities for creative and imaginative play. Every project is easy to complete, made with accessible materials, and requires little time to make. The projects are simple enough that endless variation can come from the making of each, leaving enough room for you to make the item to suit your own personal interests.
