Fairytale Blankets to Crochet Lynne Rowe, 2020-05-01 “Explode[s] with cuddle-factor! It doesn’t matter what they’re into—unicorns, wolves, dragons or princesses, one of these hooded blankets will surely suit.” —Inspirations Newsletter Bedtime bookworms will love snuggling up and listening to their favorite story in a cozy hooded blanket. Bring storytime to life as they act out the characters—will they be a goodie or a baddie, Little Red Riding Hood or the wolf? Lynne Rowe’s latest new book has ten fun, fairytale projects to crochet, including a deer, a dragon, a lion and a unicorn. Each blanket can be made in two sizes: for toddlers (age 2 to 4) and for young children (age 5 to 7). Along with crochet techniques, there are suggestions for varying the yarn color to create a different character (changing a polar bear into a brown bear, for example) and you can choose between a rounded or a pointed hood. Lynne has also designed a strip of matching bunting to accompany each project. Every blanket tells a story, with pockets on the sides for snuggly paws and different tails. Perfect for unwinding for a bedtime story and animating the oral tradition of storytelling—little listeners, as well as their parents, will find themselves enchanted. “There’s nothing quite like wrapping up someone you love in a homemade blanket, and this collection is certain to be loved by little ones and big ones alike!” —Inside Crochet “Bright, colorful and whimsical.” —The Loopy Lamb “We love everything the Lynne designs and this book is no exception to that rule if you ask us, this is probably her most exciting and enjoyable book to date.” —Crochet Now

English Pastoral James Rebanks,2021-09-02 As a boy, James Rebanks's grandfather taught him to work the land the old way. Their family farm in the Lake District hills was part of an ancient landscape- a patchwork of crops and meadows, of pastures grazed with livestock, and hedgerows teeming with wildlife. And yet, by the time James inherited the farm, it was barely recognisable. The men and women had vanished from the fields; the old stone barns had crumbled; the skies had emptied of birds and their wind-blown song. English Pastoral is the story of an inheritance- one that affects us all. It tells of how rural landscapes around the world were brought close to collapse, and the age-old rhythms of work, weather, community and wild things were lost. And yet this elegy from the Lake District fells is also a song of hope- how, guided by the past, one farmer began to salvage a tiny corner of England that was now his, doing his best to restore the life that had vanished and to leave a legacy for the future. This is a book about what it means to have love and pride in a place, and how, against all the odds, it may still be possible to build a new pastoral- not a utopia, but somewhere decent for us all.
