📖 **ACHTUNG-PANZER!** HEINZ GUDERIAN,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

📖 **HERBIER MERVEILLEUX DU LOUVRE** JEAN-MICHEL OTHONIEL,2019-05 A follow-up to The Secret Language of Flowers: Notes on the Hidden Meanings of Flowers in Art . To celebrate the 30th anniversary of the Louvre Pyramid, Jean-Michel Othoniel was invited to create a work relating the importance of flowers in the Museum's eight art departments. The artist photographed the floral wealth concealed in the masterpieces of the Museum's painting, drawing, sculpture, embroidery and enamel collections. Using this, Othoniel composes his own original herbarium, accompanied with notes on the secret language of flowers and their symbolism in the history of art. Among the seventy details of flowers, you will find the thistle in Dürer's selfportrait, the poppy in the Paros funerary stele, the apple sitting on a stool in The Lock by Fragonard, or the peony attached to the unfastened blouse of the young woman in Greuze's Broken Pitcher. The work also introduces us to lesser-known details in works, offering a magnificent treasure hunt for visitors of the Museum. Amid this vast prairie spangled with symbolic flowers, the artist asks this question: If there could be only one, which would be the Louvre's flower? A question to which the artist himself offers his own response.
