**How to Make Greeting Cards** Leslie Tryon,1992

Invitation to Draw Jean Van't Hul,2021-06-15 Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently,

and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

**Paper Tags and Cards** Florence Temko,1995 Provides step-by-step instructions for making a variety of greeting cards and gift tags, as well as a section with directions for making your own paper.

**Red Ted Art** Margarita Woodley,2013-03-28 Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about making things with her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell crabs, stone people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great around the home, or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every young family's bookshelf.

**5-Minute Spooky Stories** Disney Books,2014-07-22 4 stories in 1! Get ready for four spook-tacular adventures featuring your favorite Disney and Disney • Pixar characters!
