If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

White Pearl Anchuli Felicia King,2022-11-08 It’s just a fun ad. Now the whole world is going crazy. But when a draft of the company’s latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they’ve got to get it taken down before America wakes up.

KISS Lynn Goldsmith,2017-10-10 Published in conjunction with the band, KISS: 1977 - 1980 is the definitive photographic chronicle of KISS at the height of their popularity, showcasing the band on and off stage, in the photo studio, and in unguarded candid moments. From her archive, Goldsmith has compiled fan favorites as well as many never-before-seen photographs, all which perfectly capture the enduring phenomenon that is KISS. Chances are you've seen numerous iconic pictures by award-winning photographer Lynn Goldsmith, who has photographed every important rock musician and band of the late twentieth century: The Rolling Stones, Bruce Springsteen, The Police, Talking Heads, Frank Zappa, Bob Dylan, and Patti Smith, among many others. KISS rose to meteoric prominence with their extravagant live performances featuring fire-breathing, blood spitting, guitars bursting into flames, shooting rockets, levitating drum kits, and pyrotechnic showpieces. With makeup and costumes, Paul Stanley, Gene Simmons, Peter Criss, and Ace Frehley created characters and origin stories similar to comic book characters: the Starchild, the Demon, the Space Ace, and the Catman. When put all together, it wasn't just a stadium rock concert, it was dynamic performance art that is still on the road today! Goldsmith, Stanley, and Simmons have created this book as a thanks to the KISS Army, many of whom have been devoted to the band for more than 40 years and have brought their children and grandchildren into appreciating the music, as well as the spectacle of the band's live performances. With a simple matte white laminated padded cover that highlights the KISS logo and edged with gilding, the end result could be compared to a kind of bible, holding the relics that their supporters cherish.
