The Hellbound Heart Clive Barker,2009-03-17 The classic tale of supernatural obsession from the critically acclaimed master of darkness—and the inspiration for the cult classic film Hellraiser From his scores of short stories, bestselling novels, and major motion pictures, no one comes close to the vivid imagination and unique terrors provided by Clive Barker. The Hellbound Heart is one of Barker's best—a nerve-shattering novella about the human heart and all the great terrors and ecstasies within its endless domain. It is about greed and love, desire and death, life and captivity, bells and blood. It is one of the most frightening stories you are likely to ever read. Frank Cotton's insatiable appetite for the dark pleasures of pain led him to the puzzle of Lemarchand's box, and from there, to a death only a sick-minded soul could invent. But his brother's love-crazed wife, Julia, has discovered a way to bring Frank back—though the price will be bloody and terrible . . . and there will certainly be hell to pay.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

But resilience is his best ally, humor, wit, wisdom, and bravery. This story is told so well that I was riveted to each page. I could visualize every scene unfolding through this writer's amazing words.
