*Hellraiser - Deader* Winston Starr,2020-04-21 Reporter Amy Klein (Kari Wuhrer) is sent to Bucharest at the behest of her boss, Charles (Simon Kunz), to investigate a videotape depicting the ritualistic murder - and subsequent reanimation - of a member of a cult calling themselves the Deaders. Amy tracks down the return address of the tape and discovers the corpse of its sender, Marla, holding the Lament Configuration. She returns to her hotel and opens the box, triggering an apparent dream in which she summons Pinhead (Doug Bradley). Amy delves into Bucharest's subculture and meets Joey, who warns her about the Deaders and notices that Amy has a 'self destructive thing'. Amy pursues leads, ultimately tracking down Winter LeMarchand (Paul Rhys), the leader of the cult. Winter, as the descendant of the toymaker who designed the puzzle box, believes he is destined to access the realm of the Cenobites and become their master. Unable to open the box himself, Winter believes that only an individual exhibiting trauma-induced nihilism can open the box. To this end, he founded the Deaders and attracted emotionally vulnerable followers so that he could kill them and reanimate them. Winter does this to Amy, resulting in her experiencing an extended waking dream in which she relives her father's physical and sexual abuse and her subsequent murder of him as a child.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

But resilience is his best ally, humor, wit, wisdom, and bravery. This story is told so well that I was riveted to each page. I could visualize every scene unfolding through this writer's amazing words. A great book for discussions in family groups, and good for others who may have gone through a dysfunctional childhood and felt as if they were the only one. Karen Malena, Author Mark is a young man born into a bad situation. His parents drink too much, and his family often forgets him. He works hard to hide the harsh reality of his home life from those around him. Mark does this to avoid feeling shame. He escapes the chaos of his family by spending time in nearby woods. There comes a time when he must choose a path for his life. Mark decides to try and separate himself from the dysfunction of his family and past mistakes. He refuses to give up.
