Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Love in Case of Emergency Daniela Krien, 2021-04-06 Fans of Sarah Dunn, Elisabeth Egan, and Isabel Gillies will relate to the multifaceted lives of Krien's characters, brilliantly rendered in her vivid voice. -- Booklist Writing with the wry realism of Sally Rooney, one of Germany's most promising literary talents demonstrates her incisive understanding of the complexities of relationships and the depths of the human heart in this witty and compulsively readable novel about five very different women whose lives intersect. What happens when women fulfill their roles as wives, mothers, friends, lovers, sisters, and daughters? What comes next? Award-winning author Daniela Krien explores these questions in this powerful novel of friendship, love, loss, and everything in between. Krien explores the hopes, ambitions, challenges, and disappointments that shape modern women's lives, offering intimate insights on motherhood and childlessness, bereavement, infidelity, and divorce.
