Tortured Cardboard Philip E. Orbanes,2019-07-23 The term “tortured cardboard” sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you’ll learn, great board games often reflect whatever “tortures” culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because—be it chess, backgammon, Clue®,

Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book—each is replete with “lessons” applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. “Tortuous” is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how each teaches us something about our own behavior while providing “rules” that can work in your life.

The Dead of Winter Rennie Airth, 2009-07-23 [Rennie Airth's] meticulously detailed procedural mysteries are beautifully written . . . well worth reading, and rereading.—Marilyn Stasio, The New York Times Book Review Rennie Airth's *The Decent Inn of Death* is forthcoming. On a freezing London night in 1944, Rosa Novak is brutally murdered during a blackout. Scotland Yard suspects the young Polish refugee was the victim of a random act of violence and might have dropped the case if former police investigator John Madden hadn't been her employer. Madden feels he owes it to Rosa to find her killer and pushes the investigation, uncovering her connection to a murdered Parisian furrier, a member of the Resistance, and a stolen cache of diamonds. Delivering the atmospheric writing and compelling characters that have already established Rennie Airth as a master of suspense as well as style, this long-awaited third installment in the John Madden series is historical crime writing at its best.
