Eli Clare

The Poisonwood Bible Barbara Kingsolver,2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection
“Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review
The *Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Insignificant Events in the Life of a Cactus Dusti Bowling,2017-09-05 “Aven is a perky, hilarious, and inspiring protagonist whose attitude and humor will linger even after the last page has turned.” —School Library Journal (Starred review)
Aven Green loves to tell people that she lost her arms in an alligator wrestling match, or a wildfire in Tanzania, but the truth is she was born without them. And when her parents take a job running Stagecoach Pass, a rundown western theme park in Arizona, Aven moves with them across the country knowing that she'll have to answer the question over and over again. Her new life takes an unexpected turn when she bonds with Connor, a classmate who also feels isolated because of his own disability, and they discover a room at Stagecoach Pass that holds bigger secrets than Aven ever could have imagined. It's hard to solve a mystery, help a friend, and face your worst fears. But Aven's about to discover she can do it all . . . even without arms.

Library of Congress's 52 Great Reads List 2018

We Beat the Street Sampson Davis,George Jenkins,Rameck Hunt,Sharon Draper,2006-04-20 Growing up on the rough streets of Newark, New Jersey, Rameck, George,and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

The Glass Castle Jeannette Walls,2007-01-02 A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

Motherest Kristen Iskandrian,2017-08-01 Marrying the sharp insights of Jenny Offill with the dark humor of Maria Semple, *MOTHEREST* is an inventive and moving coming-of-age novel that captures the pain of fractured family life, the heat of new love, and the particular magic of the female friendship -- all through the lens of a fraying daughter-mother bond. It's the early 1990s, and Agnes is running out of people she can count on. A new college student, she is caught between the broken home she leaves behind and the wilderness of campus life. What she needs most is her mother, who has seemingly disappeared, and her brother, who left the family tragically a few years prior. As Agnes falls into new romance, mines female friendships for intimacy, and struggles to find her footing, she writes letters to her mother, both to conjure a closeness they never had and to try to translate her experiences to herself. When she finds out she is pregnant, Agnes begins to contend with what it means to be a mother and, in some ways, what it means to be your own mother.

Farewell to Manzanar Jeanne Wakatsuki Houston,James D. Houston,2002 A true story of Japanese American experience during and after the World War internment.

A Pocket Style Manual Diana Hacker,2004 Clarity, grammar, punctuation and mechanics, research sources, MLA, APA, Chicago, and usage/grammatical terms.

The Improv Handbook Tom Salinsky,Deborah Frances-White,2017-10-19 The *Improv Handbook* is the most comprehensive, smart, helpful and inspiring guide to improv available today. Applicable to comedians, actors, public speakers and anyone who needs to think on their toes, it features a range of games, interviews, descriptions and exercises that illuminate and illustrate the exciting world of improvised performance. First published in 2008, this second edition features a new foreword by comedian Mike McShane, as well as new exercises on endings, managing blind offers and master-servant games, plus new and expanded interviews with Keith Johnstone, Neil Mullarkey, Jeffrey Sweet and Paul Rogan. The *Improv Handbook* is a one-stop guide to the exciting world of improvisation. Whether you're a beginner, an expert, or would just love to try it if you weren't too scared, The *Improv Handbook* will guide you every step of the way.

How to Do Your Own Painting and Wallpapering Jackson Hand,1976

Exile and Pride Eli Clare,2015-07-15 First published in 1999, the groundbreaking *Exile and Pride* is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, *Exile and Pride* pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Midnight in the Garden of Good and Evil John Berendt,1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review
Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Art Of Seduction Robert Greene,2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Becoming Mother Sharon Tjaden-Glass,2015-08-01 *Becoming Mother* tells the story of a woman becoming a mother. It is a reflective memoir that spans from pregnancy through the end of the first year postpartum. It follows the author as she resists, denies, copes with, and ultimately embraces her identity as a mother. This isn't a guide or a parenting book. Its goal isn't to convert you to one brand of motherhood or another. Instead, its goal is to show you what becoming a mother can be like. Without sarcasm. Without boasting or martyrdom. Just the plain, messy truth of what it's like for one to become two.

A Feast of Snakes Harry Crews,1998-01-07 From the acclaimed author of such novels as *Blood and Grits* and *Childhood* comes a wildly weird and breathtakingly original visit to the rural South that reveals the exotic subculture that erupts in all its glory at the Rattlesnake Roundup in Mystic, Georgia. No number of adjectives in the thesaurus can do full justice to the dazzlingly bizarre nature of Crews' creations.--Washington Post Book World.

The Opposite of Hate Sally Kohn,2018-04-10 "A stunning debut by a truly gifted writer—an eye-opening read for both liberals and conservatives—and it could not come at a better time."—Adam Grant, New York Times bestselling author of *Option B*, with Sheryl Sandberg What is the opposite of hate? As a progressive commentator on Fox News and now CNN, Sally Kohn has made a career out of bridging intractable political differences and learning how to talk respectfully with people whose views she disagrees with passionately. Her viral TED Talk on the need to practice emotional—rather than political—correctness sparked a new way of considering how often we amplify our differences and diminish our connections. But these days even famously “nice” Kohn finds herself wanting to breathe fire at her enemies. It was time, she decided, to look into the epidemic of hate all around us and learn how we can stop it. In *The Opposite of Hate*, Kohn talks to leading scientists and researchers and investigates the evolutionary and cultural roots of hate and how incivility can be a gateway to much worse. She travels to Rwanda, the Middle East, and across the United States, introducing us to former terrorists and white supremacists, and even some of her own Twitter trolls, drawing surprising lessons from dramatic and inspiring stories of those who left hate behind. As Kohn confronts her own shameful moments, whether it was back when she bullied a classmate or today when she harbors deep partisan resentment, she discovers, “The opposite of hate is the beautiful and powerful reality of how we are all fundamentally linked and equal as human beings. The opposite of hate is connection.” Sally Kohn’s engaging, fascinating, and often funny book will open your eyes and your heart.

The Serpent King Jeff Zentner,2017-06-06 Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner,*The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. Move over, John Green; Zentner is coming for you. —The New York Public Library “Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*.” —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one’s true self in the wreckage of the past. “A story about friendship, family and forgiveness, it’s as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

White Trash Nancy Isenberg,2017-04-04 The New York Times Bestseller, with a new preface from the author “This estimable book rides into the summer doldrums like rural electrification. . . . It deals in the truths that matter.”—Dwight Garner, The New York Times “This eye-opening investigation into our country’s entrenched social hierarchy is acutely relevant.”—O, The Oprah Magazine “White Trash will change the way we think about our past and present.” —T. J. Stiles, Pulitzer Prize-winning author of *Custer’s Trials* In her groundbreaking bestselling history of the class system in America, Nancy Isenberg, co-author of *The Problem of Democracy*, takes on our comforting myths about equality, uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. “When you turn an election into a three-ring circus, there’s always a chance that the dancing bear will win,” says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters that put Trump in the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today’s hillbillies. They were alternately known as “waste people,” “offals,” “rubbish,” “lazy lubbers,” and “crackers.” By the 1850s, the downtrodden included so-called “clay eaters” and “sandhillers,” known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America’s supposedly class-free society--where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics--a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ’s Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation’s history. With Isenberg’s landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

Verbal Judo George J. Thompson, PhD,2010-10-12 *Verbal Judo* is the martial art of the mind and mouth that can show you how to be better prepared in every verbal encounter. Listen and speak more effectively, engage people through empathy (the most powerful word in the English language), avoid the most common conversational disasters, and use proven strategies that allow you to successfully communicate your point of view and take the upper hand in most disputes. *Verbal Judo* offers a creative look at conflict that will help you defuse confrontations and generate cooperation from your spouse, your boss, and even your teenager. As the author says, when you react, the event controls you. When you respond, you’re in control. This new edition features a fresh new cover and a foreword demonstrating the legacy of *Verbal Judo* founder and author George Thompson, as well as a never-before-published final chapter presenting Thompson’s Five Universal Truths of human interaction.

Lockdown America Christian Parenti,2000 *Lockdown America* documents the horrors and absurdities of militarized policing, prisons, a fortified border, and the war on drugs. Its accessible and vivid prose makes clear the links between crime and politics in a period of gathering economic crisis.

Huis Clos Jean-Paul Sartre,2016-01-20 The full French text of Sartre's novel is accompanied by French-English vocabulary. Notes and a detailed introduction in English put the work in its social and historical context.
