Dust If You Must Rose Milligan,2023-03-02 A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in The Lady magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, Dust If You Must is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Reborn!, Vol. 1 Akira Amano,2006-10-03 Tsunayoshi Sawada (Tsunayoshi for short) is a cowardly junior high student who doesn't excel at academics or sports. He only attends school so he can stare at his beautiful classmate Kyoko from afar. But Tsuna's life takes a dramatic turn when Reborn, a suit-wearing, gun-toting baby who claims to be an Italian hit man, shows up at his house. Reborn was sent to Japan to groom Tsuna for his future life as a big Mafia boss. Tsuna doesn't believe this absurd story, so Reborn shoots Tsuna in the head with his gun. As Tsuna faces his own death, he's filled with regret that he never confessed his feelings to Kyoko...and suddenly he's overcome with supernatural powers that allow him to run off screaming to tell Kyoko how much he loves her. After five minutes, Tsuna goes back to normal. Reborn explains how his gun works: when he shoots a person in the head, if that person has regrets about

her life, then she will die and be reborn, temporarily endowed with special powers that enable her to fix or solve whatever is the source of her regret. (If Reborn shoots someone who is free of regret, she would die.) Tsuna becomes Reborn's disciple, and because Reborn shoots Tsuna in the head all the time, he is constantly being reborn and growing into a stronger and better person, gradually impressing those around him and making friends.

Life After Darkness Michelle Knight,2018-05-01 From Michelle Knight-Cleveland kidnapping survivor and #1 New York Times bestselling author of *Finding Me* comes an inspirational book about healing and resilience, on the five-year anniversary of her escape. Michelle Knight -- now known as Lily Rose Lee -- captured the world's attention in May 2013, when she and two fellow kidnapping victims were found and freed after being held for more than a decade by notorious Cleveland kidnapper Ariel Castro. But many people are still asking: What happened after her escape? How do you re-enter society after years of abuse and isolation? How do you get past the trauma and live a happy and joy filled life? How do you learn to trust again? In *Life After Darkness*, published on the fifth anniversary of her liberation, Lily describes how she managed to heal the wounds to her body, mind, and soul-wounds, she reveals, that were first inflicted even before her kidnapping. With the help of good friends and anchored by her own inner strength, she takes us with her step by step on her journey out of darkness into the light. An inspiring story -- and for anyone who has dared to hope after suffering, a guidebook to finding new purpose for a meaningful life.
