Crepe Paper Flowers Lia Griffith, 2018-08-07 With 30 projects and an introduction to both crafting paper flowers and working with crepe paper, this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--

easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

Recycling Christmas Cards Anneke Lipsanen, 2014-09-10 If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy

coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in *Recycling Christmas Cards* so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive little something gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Build a Flower Lucia Balcazar, 2020-03-24 Learn to create beautiful, long-lasting paper flowers in a matter of minutes for gifts, decorations, and more, with this step-by-step guide. Paper flowers are ideal for any crafter: The results are stunning but the steps to get there are achievable at any skill level. *Build a Flower* will teach the basic techniques needed for crafting paper flowers, building upon skills as it moves through a select number of flowers and focusing on

key tips: what type of paper works best, petal shapes that work for multiple flowers, how to assemble, and more. With photographs and step-by-step instructions as their guide, readers will learn to build five flowers, variation ideas for their coloring, and final arrangements. And the designs and ideas will inspire crafters to think beyond the vase—paper flowers as gifts, as decorations, and more. This beginner book will open the door to a wide variety of possibilities and will help establish a new audience well versed in the craft, returning time and again to this book's pages for inspiration and encouragement.
