Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Icons Unmasked Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense déjà vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In *Icons Unmasked*, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

With his team of a talking pillow, a skeleton in a beaver suit, and a drug-addled chicken, will Kill Audio be able to restore the balance before it's too late? Coheed and Cambria frontman Claudio Sanchez (*THE AMORY WARS*) and Chondra Echert (*KEY OF Z*) team up with red-hot artist Mr. Sheldon (*DEADPOOL*) for a disgustingly enjoyable piece of rock 'n' roll you'll never forget!

Mooncake Man John R. Fischer,2012-05-31 Look Kid, said Al, the local CIA operative. What did you expect to happen, you guys came out of nowhere. some little courier company called DHL after three guys no one ever heard of. Hell for awhile we thought you were one of us. Vina, God Im crazy about her, I would give up all the whores in Patpong just to be with her. We never called it bribery, that was a word used by western cultures. We simply took care of people that took care of us. Seduced by money, booze and dangerous women, this young American becomes like the very people he despises. His life spirals out of control into strange adventures, war and romance.

Campus Heartthrob Jennifer Sucevic,2021-07-25 From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Brayden Kendricks might be God's gift to the female species at Western University, but I want nothing to do with the dark-haired football player. The guy is an attention seeking you-know-what who soaks up fan adoration like it's his due in life for being hot and talented. Damn. Did I just say that? All right, fine...I'll grudgingly admit that Brayden is decent looking. I suppose if you're into guys who resemble Greek gods with abs of steel and chiseled pecs, then sure, one could consider him attractive. Am I guilty of having a tiny, practically non-existent crush on him freshman year? I'd prefer not to answer that question. Thankfully, I quickly came to my senses and have made a concerted effort to steer clear of Brayden ever since. It hasn't been easy, considering that my bestie is now dating his roommate and we've been thrown together for an accounting project. You'd think after years of baring my teeth at him like a rabid dog, the guy would have gotten the memo that I'm not interested. Apparently not, since he's spreading word around campus that we're going out. I mean, can you even imagine? Me? Dating Brayden Kendricks? I have four words for him... No. Way. In. Hell.
