Studs Terkel

The Truffle Underground Ryan Jacobs,2019-06-04 “The ultimate truffle true crime tale”*: A thrilling journey through the hidden underworld of the world's most prized luxury ingredient. *Bianca Bosker, New York Times bestselling author of *Cork Dork* Beneath the gloss of star chefs and crystal-laden tables, the truffle supply chain is touched by theft, secrecy, sabotage, and fraud. Farmers patrol their fields with rifles and fear losing trade secrets to spies. Hunters plant poisoned meatballs to eliminate rival truffle-hunting dogs. Naive buyers and even knowledgeable experts are duped by liars and counterfeits. Deeply reported and elegantly written, this page-turning exposé documents the dark, sometimes deadly crimes at each level of the truffle’s path from ground to plate, making sense of an industry that traffics in scarcity, seduction, and cash. Through it all, a question lingers: What, other than money, draws people to these dirt-covered jewels? Praise for *The Truffle Underground* “Investigative journalist and first-time author Jacobs does a remarkable job reporting from the front lines of the truffle industry, bringing to vivid life French black-truffle farmers, Italian white-truffle foragers, and their marvelously well-trained dogs.”—Booklist (starred review) “In *The Truffle Underground*, Ryan Jacobs presents a lively exposé of the truffle industry, reporting on the crimes that ‘haunt the whole supply chain.’ . . . Even if truffles are beyond your pay grade, there is plenty of enjoyment to be had in the sheer devilment portrayed in this informative and appetizing book.”—The Wall Street Journal “You’ll never look at truffle fries the same way after reading this book. . . . You can practically smell the soil as you follow truffle farmers and bandits through the groves and fields of France and Italy where the fungi are harvested and stolen.”—Outside, “Five Favorite Summer Reads” “[The] book is a rigorously reported, carefully written, endlessly interesting immersion in a high-stakes subculture.”—San Francisco Chronicle “Jacobs takes us on an eye-opening journey through the prized mushroom’s supply chain and the global black market for these tubers in this tale of theft, deceit, and high-stakes secrets.”—Real Simple

Tales from Earthsea Ursula K. Le Guin,2012 Explores further the magical world of *Earthsea* through five tales of events which occur before or after the time of the original novels, as well as an essay on the people, languages, history, and magic of the place.

Demon Cults and Secret Societies for D&d 5th Edition Jeff Lee,Jon Sawatsky,2017-08-15 *Demon Cults & Secret Societies* brings 13 nefarious organizations to your tabletop game, each with its own sinister agenda. Their plots range from the conquest of nations to daring heists of the greatest of treasures, from redefining the nature of truth to extinguishing the sun itself! Great campaigns need worthy villains. Discover conspiracies, plots, and mayhem to thrill and entertain your players for years! 5th Edition D&D compatible.

The Bondi Lifesaver Craig Griffiths,2019-12-20 The story of a rock and roll fun park, much loved by the famous and not-so-famous, told by those who were there, which is tricky because they partied non-stop, rarely slept and brutalised their brain cells. From Bondi Beach to Kings Cross and the CBD there was just too much music to play or hear, too much excess to exceed and too much indulgence to overindulge in. But too much was never enough, and the Bondi Lifesaver was their clubhouse.

Tehanu Ursula K. Le Guin,2012-09-11 When Sparrowhawk, the Archmage of *Earthsea*, returns from the dark land stripped of his magic powers, he finds refuge with the aging widow Tenar and a crippled girl child who carries an unknown destiny.

Soulsmith Will Wight,2023-03 The second volume in the New York Times best-selling *Cradle* series! Lindon has taken his first step on the road to power, but the sacred artists of the world outside his homeland are still far beyond him. To advance, he turns to the arcane skills of the Soulsmiths, who craft weapons from the stuff of souls. With new powers come new enemies, but also new allies, including a mysterious mentor who seems interested in Lindon for his own purposes. Even with new training and new help, Lindon is still only a Copper, and he soon finds himself facing down an entire sect of enemy Golds. SERIES DESCRIPTION The *Cradle* series is the best-selling example of the Progression Fantasy subgenre, which includes works of fantasy where the primary plot revolves around a character growing more powerful in their use of magic. *Cradle* is high-stakes, fast-paced, and action-focused, with minimal time dedicated to world-building, and as such the books are lean and focused. The series is often compared to anime, with fans using phrases like anime in book form or fantasy novels meet *Dragon Ball Z*, emphasizing the story's specialty of loud and colorful super-powered battles.

Hardy Boys 50: Danger on Vampire Trail Franklin W. Dixon,1971-01-01 An assignment from their famous detective father to track down a ring of credit-card counterfeiters takes Frank and Joe Hardy on an exciting camping trip to the Rocky Mountains. But the cross-country trek with their pals Chet Morton and Biff Hooper is jinxed from the very first day. Strange happenings on a nearly impassable mountain lure Frank, Joe, Chet, and Biff to almost certain death before they discover the sinister reason for the danger on Vampire Trail.

Go All the Way Paul Myers,S. W. Lauden,2019-10-08 Fun, bright, and playful, Power Pop is a sometimes adored, sometimes maligned, often misunderstood genre of music. From its heyday in the 70s and 80s to its resurgence in the 90s and 00s, Power Pop has meant many things to many people. In *Go All The Way*, today's best and brightest writers go deep on what certain Power Pop bands and songs mean and have meant to them. Whether they love or hate it, *Go All The Way* is a dive into the Beatles-inspired pop rock of the last five decades.

Unsouled Will Wight,2023-03 Sacred artists follow a thousand paths to power, using their souls to control the forces of the natural world. Lindon is unsouled, forbidden to learn the sacred arts of his clan. When faced with a looming fate he cannot ignore, he must rise beyond anything he's ever known and forge his own path.

Man of Constant Sorrow Ralph Stanley,Eddie Dean,2009-10-15 A giant of American music opens the book on his wrenching professional and personal journeys, paying tribute to the vanishing Appalachian culture that gave him his voice. He was there at the beginning of bluegrass. Yet his music, forged in the remote hills and hollows of Southwest Virginia, has even deeper roots. In *Man of Constant Sorrow*, Dr. Ralph Stanley gives a surprisingly candid look back on his long and incredible career as the patriarch of old-time mountain music. Marked by Dr. Ralph Stanley’s banjo picking, his brother Carter’s guitar playing, and their haunting and distinctive harmonies, the Stanley Brothers began their career in 1946 and blessed the world of bluegrass with hundreds of classic songs, including “White Dove,” “Rank Stranger,” and what has become Dr. Ralph’s signature song, “Man of Constant Sorrow.” Carter died in 1966 after years of alcohol abuse, but Dr. Ralph Stanley carried on and is still at the top of his game, playing to audiences across the country today at age eighty-one. Rarely giving interviews, he now grants fans the book they have been waiting for, filled with frank recollections, from his boyhood of dire poverty in the Appalachian coalfields to his early musical success with his brother, to years of hard traveling on the road with the Clinch Mountain Boys, to the recent, jubilant revival of a sound he helped create. The story of how a musical art now popular around the world was crafted by two brothers from a dying mountain culture, *Man of Constant Sorrow* captures a life harmonized with equal measures of tragedy and triumph.

3 Doors Down - Seventeen Days ,2005-08 (Piano/Vocal/Guitar Artist Songbook). 12 songs from the third album by this Mississippi rock band: Behind Those Eyes * Here by Me * It's Not Me * Landing in London * Let Me Go * My World * The Real Life * Right Where I Belong * and more.

Truffle Boy Ian Purkayastha,2017-02-07 [Ian Purkayastha] has a true, deep expertise in everything he sells--caviar, truffles, fish. He knows the stories that we need to sell the stuff tableside . . . he can disrupt the entire luxury foods market. ---From the Foreword by David Chang Ian Purkayastha is New York City's leading truffle importer and boasts a devoted clientele of top chefs

nationwide, including Jean-Georges Vongerichten, David Chang, Sean Brock, and David Bouley. But before he was purveying the world's most expensive fungus to the country's most esteemed chefs, Ian was just a food-obsessed teenager in rural Arkansas--a misfit with a peculiar fascination for rare and exotic ingredients. The son of an Indian immigrant father and a Texan mother, Ian learned to forage for wild mushrooms from an uncle in the Ozark hills. Thus began a single-track fixation that led him to learn about the prized but elusive truffle, the king of all fungi. His first taste of truffle at age 15 sparked his improbable yet remarkable adventure through the strange--and often corrupt--business of the exotic food trade. Rife with tales from the hidden underbelly of the elite restaurant scene, Truffle Boy chronicles Ian's high stakes dealings with a truffle kingpin in Serbia, meth-head foragers in Oregon, crooked businessmen and maniacal chefs in Manhattan, gypsy truffle hunters in the forests of Hungary, and a supreme adventure to find Gucci mushrooms in the Himalayan foothills--the land of the gods. He endures harsh failures along the way but rebuilds with tremendous success by selling not just truffles but also caviar, wild mushrooms, rare foraged edibles, Wagyu beef, and other nearly unobtainable ingredients demanded by his Michelin-starred clients. Truffle Boy is a thrilling coming-of-age story and the incredible but true tale of a country kid who grows up to become a force in the world of fine dining.

OILS AND VINEGARS Liz Franklin,Richard Jung,2016-07-12 There is so much more to oils and vinegars than dressings, marinades, and frying. In this invaluable gourmet cookbook, Liz Franklin looks at some of the ket oils and vinegars and explains their characteristics, health benefits, and origins, as well as their uses in cooking. There are also more than 20 recipes here to whet the appetite, with an individual oil or vinegar as the focal ingredient of each recipe.

Marvell and Liberty Martin Dzelzainis,1999-07-09 Marvell and Liberty is a collection of original essays by leading scholars which treats this major poet in an entirely new light. Uniquely, it gives equal attention to the full range of Marvell's writings. Marvell is a writer deeply implicated in the history of his time, and as the essays in this volume show, also exercised a potent political influence after his death. Marvell and Liberty constitutes a major reassessment of a figure who lived much of his life close to the epicentre of the revolutionary upheavals of the seventeenth century.

Danger in the Fourth Dimension Franklin W. Dixon,1993 While helping their father on an investigation at a science fiction theme park, Frank and Joe Hardy are horrified when their father is kidnapped, and soon they are drawn into the fight of their lives.

Division Street Studs Terkel,2024-11-05 A landmark reissue of Studs Terkel's classic microcosm of America, with a new foreword by the Pulitzer Prize-winning journalist and co-creator of the Division Street Revisited podcast When Division Street, Studs Terkel's first book of oral history, was published in 1967 (it was commissioned by New Press founding director André Schiffrin), Terkel's reputation as America's foremost oral historian was established overnight. Approaching Chicagoans as emblematic of the nation at large, Terkel set out with his tape recorder and spent a year talking to people about the place and time they lived in. The freewheeling conversations touched on race, family, education, work, prospects for the future--all topics that remain deeply contentious today. The more than seventy subjects included a Black woman who attended the 1963 March on Washington, a tool-and-die maker, a baker from Budapest, a closeted gay actor, and a successful but cynical ad man. As Tom Wolfe wrote, Studs was one of those rare thinkers who is actually willing to go out and talk to the incredible people of this country. Although the interviewees were very different, most shared the hope for a good life for their children and the wish for a less divided and more just America, an America that would fulfill its promises. The real Chicago street referenced in the title takes on a metaphorical meaning as a symbol of the acute social divides of the 1960s--and highlights the continued relevance of Terkel's work in our polarized times. Now, over fifty years later, Melissa Harris and Pulitzer Prize-winning journalist Mary Schmich have created the remarkable Division Street Revisited podcast, coming in January 2025, in which they have found and interviewed descendants of Terkel's original subjects in seven rich episodes. The result is a moving and thought-provoking intergenerational conversation. Schmich's foreword to the reissue highlights the evolution of the themes and issues Terkel explored. The extraordinary podcast--and the new edition of Division Street--together demonstrate Studs Terkel's prescience and the enduring importance of his work.

My Kind of Sound Steve Krakow,2016-01-05 Compiles most of [the author's] long-running comic series of the same name, serialized in the largest Chicago alternative weekly, the 'Chicago reader,' every other week, for over a decade--An author's not

The Word of Unbinding Ursula K. Le Guin,2017-02-14 “Ursula Le Guin is more than just a writer of adult fantasy and science fiction . . . she is a philosopher; an explorer in the landscapes of the mind.” – Cincinnati Enquirer The recipient of numerous literary prizes, including the National Book Award, the Kafka Award, and the Pushcart Prize, Ursula K. Le Guin is renowned for her spare, elegant prose, rich characterization, and diverse worlds. The Word of Unbinding is a short story originally published in the collection The Wind's Twelve Quarters.

Bloom County - Complete Collection, 1980-1982 Berkeley Breathed,2010-05-11 A series that will publish the entire run of the acclaimed 1980s. Bloom County comic strip includes the first appearances of many popular characters.

Truffle Hound Rowan Jacobsen,2021-10-05 Guaranteed to spark America's next great culinary passion, a James Beard Award-winning author explores the secretive and seductive world of truffles, the elusive food that has captured hearts, imaginations and palates worldwide.
