imagination run wild and bring fairy tales to life as you turn old books into hot air balloons and angels, or give new life to yesterday's newspaper as a garland of pretty hearts. Twins Helene and Simone have been papercutting for years, and between them have created a whole world of whimsical designs. In this delightful book, they share this magical skill with you - and the best part is, it's simple, creative and practically free. All you need is a pair of scissors and some scrap paper - no scalpel, no cutting mat, no complicated templates.
