This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Haiti Ron Haviv,Simon Winchester,2010-06 A unique, arresting and versatile document of the traumatic earthquake which hit Haiti in 2010 and its aftermath. Encased in a cardboard box, the project comprises 16 unbound posters and a map page which draws attention to the epicentre and its rippling impact on the population of the island. The unique format allows the viewer to absorb each page individually or to hang the entire project. The visual testimony to the events of the the first days after the event are provided by award-winning photographer Ron Haviv and the essay by esteemed writer Simon Winchester.

The Haiti Reader Laurent Dubois,Kaiama L. Glover,Nadève Ménard,Millery Polyné,Chantalle F. Verna,2020-01-20 While Haiti established the second independent nation in the Western Hemisphere and was the first black country to gain independence from European colonizers, its history is not well known in the Anglophone world. The Haiti Reader introduces readers to Haiti's dynamic history and culture from the viewpoint of Haitians from all walks of life. Its dozens of selections—most of which appear here in English for the first time—are representative of Haiti's scholarly, literary, religious, visual, musical, and political cultures, and range from poems, novels, and political tracts to essays, legislation, songs, and folk tales. Spanning the centuries between precontact indigenous Haiti and the aftermath of the 2010 earthquake, the Reader covers widely known episodes in Haiti's history, such as the U.S. military occupation and the Duvalier dictatorship, as well as overlooked periods such as the decades immediately following Haiti's “second independence” in 1934. Whether examining issues of political upheaval, the environment, or modernization, The Haiti Reader provides an unparalleled look at Haiti's history, culture, and politics.

Classic RAF Battles M. J. Armitage, 2002 Forty superb full colour paintings accompanied by detailed background narratives, show the RAF in action, from the dogfights of the First World War to missions in the Gulf War. In compiling this superb visual testament to the RAF, the general aim has been to capture the very reason for the RAF's existence - the combat actions which have given it such an historic tradition of the defence of the nation. Some scenes are of general campaigns or aspects of the RAF's history; most, however, are of specific raids, operations or incidents; but they all demonstrate the variety of locations, tasks and aircraft types that feature in the RAF's reputation.

I Like Him, He Likes Her Phyllis Reynolds Naylor, 2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.
