**Behind Photographs** Tim Mantoani, Mark Murphy, 2012 Behind Photographs began as the personal quest of photographer Tim Mantoani to document and preserve noted photographers together with their images. We have come to a point in history where we are losing both photographic recording mediums photographic recording mediums and iconic photographers, Mantoani comments. While many people are familiar with iconic photographs, the general public has no idea of who created them. This book became a means to do that, the photographer and their photograph in one image.--Publisher's website,

**Baby Terrors** Alex Solis, 2016-10-14 Baby Terrors Coloring Book - The killers, monsters, murderers and bad guys drawn by Alex Solis in their infant years.

**Bent Objects** Terry Border, 2009-10-06 Trained as a photographer, Terry Border left the commercial world for story-telling. His complex vignettes are made of the simplest, everyday items: a jar of spices, a cigarette stub, a flower, a snack food. These sly photos range from whimsical scenes to sexy scenarios, the sad truths to the hilarious happenings in everyday life. In the tradition of bestselling humorous photography books like *Chicks with Baggage*, *Play with Your Food*, and *Hello Cupcake!*, this volume will surprise you with every viewing. A sunflower missing a petal becomes the tortured artist Van Gogh; an egg arrives to visit his mom only to discover roast chicken on the table; when confronted by a jar of peanut butter, peanuts hold a wake; and hot dogs leave behind their own brand of little presents. Marshmallows, wine corks, bread, soap, rocks, and tea bags—no

common household item is safe from the twisted (wire) mind behind these uncommon creations!

*The Killer* Tom Wood,2011-08-02 After a routine job turns into a fight for his life, professional killer Victor races across Europe to find out who bought his services and why they now want him dead, a trip that causes him to stumble into an international conspiracy that spans four continents.

**California Homes** William Hefner,The Images Publishing Group,2013 An insightful monograph highlighting the illustrious design of master architect William Hefner - lavishly illustrated and richly detailed - an intimate tour of some of the world's most opulent houses. This latest addition to IMAGES' Master Architect Series showcases seven exquisite residential projects by master architect William Hefner, whose Los-Angeles-based architectural firm has been designing residential, commercial and retail properties for nearly two decades. Although varied in style, each house featured shares the timeless elegance and attention to detail common to all of Hefner's creations. They are each marked also by Hefner's appreciation of the craft of building and the use of natural materials. Opulent and richly detailed, the interiors nevertheless retain a sense of intimacy, warmth and comfort. Hefner's houses are luxurious, but it is a personal, liveable form of luxury that embraces rather than distances. William Hefner's passion lies in residential architecture; his expertise encompasses a vast array of styles from the highly contemporary to the deeply historic. Through this crossover he has realised that each style has benefitted from knowledge of the other - modern houses are richer in materials, more complex in their details, and thusly more comfortable to its

inhabitants; historic projects are less fussy, more tailored, resulting in spaces better suited to the needs and tendencies of contemporary life. William's expertise in architecture and deep appreciation for interior design and landscape often culminates in the three merging seamlessly - environments emerge which embrace outdoor views animated by an ever-shifting play of natural light; the rooms connect organically to the furnishings within them. By combining these three disciplines within his firm, he is able to ensure that each distinct design concept integrates with one another and that the vision of the homeowner is expressed in every aspect of the work. William earned a Bachelor of Arts degree in Art History in 1977 from Lewis & Clark College in Portland, Oregon, which included a year of study in Greece. He went on to receive a Master's of Architecture from UCLA, during the influential Charles Moore's tenure. 400 col.

New York Bike Style Sam Polcer, 2014-04-21 Together, these striking images create the ultimate style guide for anyone who pedals their way through the Big Apple. America may be a nation obsessed with automobiles, but today the bicycle is giving the car a run for its money. And while New York is just one of many cities that is implementing new bike friendly policies, the local cyclist population stands out as one of the most diverse, inventive, and stylish in the world. New York Bike Style celebrates this with full-page photographs of riders and their bikes. Photographer Sam Polcer has combed New York's five boroughs looking for subjects who reflect the myriad styles and demographics of the city's cyclists—from Puerto Rican Schwinn aficionados with vintage bikes to fixed gear freaks; from BMX kids honing their bar-spins at skateparks to fashionistas floating down leaf-strewn streets in dresses. Each page is captioned with the subject's name, what kind of bike they ride, where the

photo was taken, and where they're headed. The book also features close-up shots of gear as well as a startlingly stylish array of bike fashion. Whether they're pedaling to work or play, racing with a club, or out for a lazy ride, New York Bike Style pays photographic tribute to a city in love with biking in all its forms.

*Pornburger* Mathew Ramsey, 2016-07-27 What is a burger? Is it merely a beef patty between two buns? Or is it something deeper, spiritual, a satisfaction of one's most carnal culinary desires, maybe even something naughty? Former San Francisco Chronicle food writer, photographer, graphic designer and Le Cordon Bleu-trained chef Mathew Ramsey takes the Foodporn movement to its unabashed pinnacle with PornBurger. Inspired by his wildly popular blog [pornburger.me](http://pornburger.me), with over 2,400,000 visitors and profiled in numerous online and print publications, Mathew has been building his battalion of burgermongers for the better part of this year with wild yet accessible takes on the classic burger - without ever posting a recipe.

**The Last Tomorrow** Ryan David Jahn, 2016-02-25 Los Angeles, 1952 After thirteen-year-old Sandy Duncan shoots his stepfather and carves a symbol from a comic book into the corpse's forehead, district attorney Seymour Markley launches a grand jury investigation into the murder, one that could implicate east-coast crime boss James Manning. Also in the frame is the comic book's creator, Eugene Dahl. When threatening notes appear nailed to his front door, he is lured to a downtown hotel where one of the men who could bring down James Manning, is being held. There, Eugene finds the witness murdered, as well as the police officer charged with protecting him, and all fingers point to Eugene. Forced to go on the run, Eugene devises a plan that involves deeds far worse than anything he's been accused of . . . 'There is no doubt of Jahn's writing talent . . . existential
