Marlin Watling takes abstract and complex ideas and grounds them in simple terms through his unique combination of readable summaries and fifty accompanying illustrations. He distills a lifetime of complex theological analysis and data into easy-to-consume sketches with explanations to provide one thing: universal access to a brilliant mind. Watling's guide comprises four parts ① An introduction to N. T. Wright ② Summaries of Wright's four key concepts ③ Wright's proposal of a new worldview ④ An overview of humanity's mission, with an eye toward the end times Following in the footsteps of reformer Martin Luther, N. T. Wright makes the old story new again with his paradigm-shifting worldview. And in *The Marriage of Heaven and Earth*, Watling does something equally novel. He enters the ivory tower, strips away the pomp and ceremony of untouchable academia, and presents to believers of all interest levels Wright's theology as it's truly meant to be: easy to understand and full of grace.
