The 13th Sign Kristin O'Donnell Tubb, 2013-01-08 What if there was a 13th zodiac sign? You're no longer Sagittarius, but Ophiuchus, the healer, the 13th sign. Your personality has changed. So has your mom's and your best friend's. What about the rest of the world? What if you were the one who accidentally unlocked the 13th sign, causing this world-altering change, and infuriating the other 12 signs? In this book by Kristin O'Donnell Tubb, Jalen did it, and now she must use every ounce of her strength and cunning to send the signs back where they belong. Lives, including her own, depend upon it.

Autumn Winifred Oliver Does Things Different Kristin O'Donnell Tubb, 2008-10-14 A charming, humorous story about one spunky heroine and how the Smoky Mountains National Park came to be, celebrating the importance of conservation, family, and individuality -- from the author of *A Dog Called Daisy* and *The Story Collector*. AUTUMN WINIFRED OLIVER prides herself on doing things her way. But she meets her match when she, her mama, and her pin-curled older sis, Katie, move in with her cantankerous Gramps. The Oliver gals were supposed to join Pop in Knoxville for some big-city living, but Gramps's recent sick spell convinced Mama to stay put in Cades Cove, a place of swishy meadows and shady hollers that lies on the crest of the Great Smoky Mountains. And it's not like there's nothing going on in the Cove. Folks are all aflutter about turning their land into a national park, and Autumn's not sure what to think. Loggers like Pop need jobs, but if things keep going at the current rate, the forests will soon be chopped to bits. And Gramps seems to think there's some serious tourist money to be made. Looks like something different is definitely in order. . . Tubb's inventive heroine comes across as a female version of familiar characters, such as Gary Paulsen's Harris or Robert Newton Peck's Soup. This homespun tale, full of folksy humor and based on historical fact, will appeal to young fans of Deborah Wiles' and Ruth White's books. —Booklist

After centuries of ineffective treatments, the microorganism that causes TB was identified, and the cure was thought to be within reach--but drug-resistant varieties continue to plague and panic the human race. The biography of this deadly germ, an account of the diagnosis, treatment, and cure of the disease over time, and the social history of an illness that could strike anywhere but was most prevalent among the poor are woven together in an engrossing, carefully researched narrative. Bibliography, source notes, index.

Hills of Sacrifice Michael P. Slater, 2000 Detailed account of the 5th Regimental Combat Team in the Korean War. Includes a comprehensive list of 5th RCT unit casualties and Korean Ex-Prisoners of War. Indexed for easy referencing. Foreword written by Ltgen Alpha Bowser, G-3, 1st Marine Division, Korea 1950-1951. Much of the information in this book about the Korean War has never before been published. *Hills of Sacrifice* is a magnificent history of 'Hawaii's own', the 5th RCT during the Korean War. It will be widely read, and deserves to be. -- Governor Benjamin J. Cayetano, State of Hawaii At last, after 49 years, the best and most definitive book on infantry combat at the bayonet level in Korea. It grips the reader into the firestorm, fury, terror and grief of it all. *Hills of Sacrifice* is deeply researched, grimly detailed, personalized historiography of battlefield infantry

action by American 'grunts' fighting determined North Korean and Chinese soldiers. This superb book is not for the faint-hearted. Graphic descriptions of the bloody details of close-in grunt infantry battle and the love of soldiers for one another. -- LTGEN Harold G. Moore A hell of a read! Hills of Sacrifice explodes like a hand grenade and is riveting combat reportage. It's the most detailed account of the bloody Korean War that I have read. The reader is there in the trenches, with the Grunts, stopping massed attacks or storming enemy held hills. The 5th RCT was a great regiment, with top leaders, brave warriors, and this remarkable book captures their gallantry and sacrifice dead on target. A must read for anyone wanting to know the Grunt's heroic story from the Korean War and how a gallant regiment became the Fire Brigad of the KoreanWar. -- COL David H. Hackworth

One Place after Another Miwon Kwon,2004-02-27 A critical history of site-specific art since the late 1960s. Site-specific art emerged in the late 1960s in reaction to the growing commodification of art and the prevailing ideals of art's autonomy and universality. Throughout the 1970s and 1980s, as site-specific art intersected with land art, process art, performance art, conceptual art, installation art, institutional critique, community-based art, and public art, its creators insisted on the inseparability of the work and its context. In recent years, however, the presumption of unrepeatability and immobility encapsulated in Richard Serra's famous dictum to remove the work is to destroy the work is being challenged by new models of site specificity and changes in institutional and market forces. *One Place after Another* offers a critical history of site-specific art since the late 1960s and a theoretical framework for examining the rhetoric of aesthetic vanguardism and political progressivism associated with its many permutations. Informed by urban theory, postmodernist criticism in art and architecture, and debates concerning identity politics and the public sphere, the book addresses the siting of art as more than an artistic problem. It examines site specificity as a complex cipher of the unstable relationship between location and identity in the era of late capitalism. The book addresses the work of, among others, John Ahearn, Mark Dion, Andrea Fraser, Donald Judd, Renee Green, Suzanne Lacy, Inigo Manglano-Ovalle, Richard Serra, Mierle Laderman Ukeles, and Fred Wilson.

Just One More Thing Peter Falk,2007 In JUST ONE MORE THING, Peter Falk takes us on an acting journey that begins not in Hollywood but in Hartford, where he worked as a management analyst for the Connecticut State Budget Bureau. His time there was no more successful than an earlier attempt to find work with the Central Intelligence Agency. At loose ends, Falk turned to an old college interest: acting. He came to prominence as an actor in 1956 in the highly successful Off-Broadway revival of 'The Iceman Cometh' with Jason Robards. Although he worked continuously for the next three years, bouncing from one Off-Broadway theater to the next, a theatrical agent advised him not to expect much work in motion pictures because of his glass eye. Surgeons had removed his right eye, along with a malignant tumor, when he was three years old. But in 1958, the actor made the jump to Hollywood, where he landed his first movie, 'Murder Incorporated', and was nominated for an Oscar. Next came Frank Capra's 'A Pocketful of Miracles' starring Bette Davis, which garnered Falk his second Oscar nomination. Falk was a favorite among moviegoers during the 1960s, admired for his roles in classic comedies such as 'It's A Mad, Mad, Mad, Mad World' and 'The Great Race'. However, it was through his collaboration with filmmaker John Cassavetes that Falk entered into his most creative period in 1970. Motion pictures such as 'Husbands' and 'A Woman Under the Influence' helped launch the independent film movement. Nevertheless, Falk continued to act in light film comedies, including 'The In-Laws' and Neil Simon's 'The Cheap Detective' and 'Murder by Death', among others. Yet it was through television that Falk reached his widest audience. He has portrayed the beloved Lt. Columbo since the 1970s, winning four Emmys. The series was so successful that ten years after it's demise, 'Columbo' was re-launched, bringing Falk to a new generation of viewers. JUST ONE MORE THING also chronicles the author's more recent work, such as movie appearances in 'A Shark's Tale' and Paul Reiser's 'The Thing About My Folks', as well stories of growing up in New York, Hollywood and Broadway luminaries, and the author's accomplished passion for drawing and painting.

A Letter to Tia Don Landy,2013-07-11 Author Don Landy provides canine and feline pet owners with a first person look at grief and grieving in a way that may surprise you. Don Landy never expected to have a dog in his life. After falling for a German shepherd named Sabrina and spending nearly eleven years together, Landy found himself sitting on the floor holding the lifeless body of his beloved dog in his arms and sobbing uncontrollably. Reeling from the loss he vows never again to take a pet, and thereby sets himself up for the inevitable pain that most pet owners experience when the end approaches. A Letter to Tia: Grief. Grieving. The Love, Pain and Loss of a Friend is his personal account of coming face-to-face with grief and grieving. Pet owners of all ages will find comfort, insight, and at times humor in this reflective, life-affirming story of love and loss. A Letter to Tia recounts Landy's past and present struggle with the loss of pets. He starts with the death of his show cat, Charlie Brown, twenty-five years ago and continues through to the recent diagnosis received by Tia, his German shepherd. After the previous loss of Sabrina, Landy and his wife accepted Tia into their lives with understandable trepidation. To insure they made the right move

they test the relationship between Tia and their kitten Holly and discover they have become fast friends. However, when Tia is diagnosed with inoperable cancer at four years old, the author finds himself staring down the prospect of consuming sadness over the grim forecast for her survival. Landy chooses to process his grief full-on, identifying the tremendous toll that loss takes on pet owners, and how best to cope with the emotions that accompany it. With a life enriched by memories of his meaningful times with Tia, Landy's book addresses this exceptional feeling of loss, while also offering proof that miracles do happen. A moving tribute to the strong love that is forged between pets and pet owners, *A Letter to Tia: Grief. Grieving. The Love, Pain and Loss of a Friend* is sure to provide readers with a good cry, and a good laugh, as his compassionate, deeply felt, and surprising book celebrates this extraordinary bond.
