### French Country Cottage Courtney Allison, 2018-08-14

Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of

her dreams. A French country-style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoor and embracing well-worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room.

Stories from Suffragette City M.J. Rose, Fiona

Davis, 2020-10-27 One City. One Movement. A World of Stories. Stories from Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when

tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today's bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together *Stories From Suffragette City* becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. With an introduction by Kristin Hannah and stories from: Lisa Wingate M.J. Rose Steve Berry Paula McLain Katherine J. Chen Christina Baker Kline Jamie Ford Dolen Perkins-Valdez Megan Chance Alyson Richman Chris Bohjalian and Fiona Davis
