The Byzantine Apocalyptic Tradition Paul J.

Alexander,2023-11-10 Throughout Christian history, apocalyptic visions of the approaching end of time have provided a persistent and enigmatic theme for history and prophecy. Apocalyptic literature played a particularly important role in the medieval world, where legends of the Antichrist, Gog and Magog, and the Last Roman Emperor were widely circulated. Although scholars have long recognized that a body of Byzantine prophetic literature served as the source for these ideas, the Byzantine textual tradition, its sources, and the way in which it was transmitted to the West have never been thoroughly understood. For more than fifteen years prior to his death in 1977, Paul J. Alexander devoted his energies to the clarification of the Byzantine apocalyptic tradition. These studies, left uncompleted at his death, trace the development of a textual tradition that passed from Syriac through Greek to Slavonic and Latin literature. Using a combination of philological and historical detection, the author establishes the time, place, and circumstances of composition for each of the

major surviving texts, identifying lost works known only through descriptions. In showing how Byzantine prophecy served as a bridge between ancient eschatological works and the medieval West, Alexander demonstrates that apocalyptic literature represents a creative source for the expression of political and religious thought in the medieval world. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. Twelve Years a Slave Solomon Northup,2024-01-04

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
