Gus Dur Greg Barton,2002 In October 1999, Abdurrahman Wahid, almost blind and recovering from a nearfatal stroke, was elected as Indonesia's fourth president. Referred to as 'Indonesia's surprising new president' by the Economist, the man who had commanded the highest respect of his fellow countrymen for his lifetime devotion to public service, liberal democracy and tolerant Islam, was impeached in humiliating and controversial circumstances less than two years later. Wise to some, insolent to others, Abdurrahman's mercurial style of leadership constantly confounded critics and ultimately caused him to be widely misunderstood by both domestic and international observers. For the first time, biographer Greg Barton delves beneath the surface and gives us a unique insight into the man and his world drawn from his long relationship with Gus Dur - including being at his side during the final extraordinary months of the presidency. Those interested in the drama of modern Indonesian politics will find this book provides a fascinating and invaluable account of the enigmatic Gus Dur.

Critical Communication Studies Hanno Hardt,2008-02-22 The development of communication studies has been a lively process of adoption and integration of theoretical constructs from Pragmatism, Critical Theory and Cultural Studies. Critical Communication Studies describes the intellectual and professional forces that have shaped research interests and formed alliances in the pursuit of particular goals. Hanno Hardt reflects on the need to come to terms with the role of history in academic work and locates the intellectual history within the context of competing social theories. The book provides a substantive foundation for understanding the field and will be a major text in all courses dealing with communication history and theory.

The Wal-Mart Effect Charles Fishman,2006 An award-winning journalist breaks through the wall of secrecy to reveal how the world's most powerful company really works and how it is transforming the American economy.

My Remarkable Journey Larry King,2009-05-19 Larry King's trademark suspenders and unmistakable voice are known around the world to millions of viewers who have made him a permanent fixture in their living rooms every night. For a half century, he has been host to the world's most influential figures, and after some 40,000 inter- views, here is King's own remarkable and riveting story, from his humble roots in Depression-era Brooklyn to the heights of celebrity as host of CNN's Larry King Live. In My Remarkable Journey, King tells his colorful story of growing up on Relief in Brooklyn, his early passion for broadcasting, his ascendance in Miami radio, and his early friendship with Jackie Gleason and Frank Sinatra. Married eight times, Larry didn't actually meet the son who had been named after him until Larry

King Jr. was thirty-three years old. He has been fired, incarcerated, struggled with a three-pack-a-day smoking habit, had a heart attack and quintuple bypass surgery, and founded the Larry King Cardiac Foundation. A father, a grandfather, and a great-grandfather, Larry King is a man who can tell some tales. And he does it with humor and candor.
