Perfect Sound Whatever James Acaster, 2019-08-22 *The Sunday Times Bestseller* The brand new memoir from James Acaster: cult comedian, bestselling author of *Classic Scrapes*, undercover cop, receiver of cabbages. **PERFECT SOUND WHATEVER** is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the

music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

James Acaster's Guide to Quitting Social Media James Acaster, 2023-08-17 THE SUNDAY TIMES BESTSELLER This is a self-help book like no other. Because you are not helping yourself, James Acaster is helping you. In 2019, James quit all forms of social media - covering his phone in tar and driving it to a lock-up in Rhyl, before setting up home in a castle he'd built himself called Castle Anti-Net. But when the withdrawal symptoms hit him, he realised in order to stay clean he'd have to replace everything social media gave him with three-dimensional, real-life activities. Employing the help of a

mysterious, wealthy benefactor named Clancy Dellahue, and an ever-growing gang of misfits (aka the Tangfastic Crew), James found ways to replace his online friends (he joined the scouts) and spy on his exes (climbing ropes, zip lines, fake moustache) as well as anonymously bullying strangers, seeing photos of everyone's dogs, getting public figures fired, arguing with everybody about everything, and so much more. His life is amazing and yours could be too if you buy JAMES ACASTER'S GUIDE TO QUITTING SOCIAL MEDIA, BEING THE BEST YOU YOU CAN BE AND SAVING YOURSELF FROM LONELINESS VOL. 1.

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James

Acaster, 2017-08-24 ****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man

perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

Settling the World M. John Harrison, 2020-08-20 Throughout his career, M. John Harrison's writing has defied categorisation, building worlds both unreal and all-too real, overlapping and interlocking with each other. His stories are replete with fissures and portals into parallel dimensions, unidentified countries and lost lands. But more important than the places they point to are the obsessions that drive the people who so believe in them, characters who spend their lives hunting for, and haunted by, clues and maps that speak to the possibility of somewhere else. This selection of stories, drawn from over 50 years of writing, bears witness to that desire for difference: whether following backstreet

occultists, amateur philosophers, down-and-outs or refugees, we see our relationship with ‘the other’ in microscopic detail, and share in Harrison’s rejection of the idea that the world, or our understanding of it, could ever be settled.

Everyone You Hate Is Going to Die Daniel Sloss, 2021-10-12 One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter—all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage—and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship—with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with

best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful—but also valuable and meaningful and important.

There's such an onslaught to the senses these days it's a marvel any of us manage to get out of bed. I love bed. While we are

overwhelmed and confused by the miasmic cloud of information, there are those that seek to take advantage: there are parking fines, hate Tweets, Nigerian email scams and Christmas newsletters from old school friends about their ugly kids. And just as we're getting round to doing something about it, we're distracted again. I, Joe Lycett, comedian, wordsmith, and professional complainer, am here to help. During my short life of doing largely nothing I've discovered solutions to many of life's problems, which I impart to you, dear Reader. Back Story David Mitchell, 2013 As well as giving a specific account of every single time he's scored some smack, this disgusting memoir also details: the singular, pitbull-infested charm of the FRP ('Flat Roofed Pub') the curious French habit of injecting everyone in the arse rather than the arm why, by the time he got to Cambridge, he really, really needed a drink the pain of being denied a childhood birthday party at McDonalds the satisfaction of writing jokes about suicide how doing quite a lot of walking around London helps with his sciatica trying to pretend he isn't a total **** at Robert Webb's wedding that he has fallen in love at LOT, but rarely done anything about it why it would be worse to bump into Michael Palin than Hitler on holiday that he's not David Mitchell the novelist. Despite what David Miliband might think

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada

and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

Thinking About It Only Makes It Worse David Mitchell, 2014-11-04 THE SUNDAY TIMES-
BESTSELLING BOOK BY ONE OF BRITAIN'S BEST-LOVED COMIC WRITERS There are many aspects of modern life that trouble award-winning comedian David Mitchell, such as: Why is every film or TV programme a sequel or a remake? Why are people so f***ing hung up about swearing? Why do the asterisks in that sentence make it ok? Why do so many people want to stop other people doing things, and how can they be stopped from stopping them? Join Mitchell on a tour of the absurdities of our times - from Ryanair to Richard III, Downton Abbey to phone etiquette, UKIP to hotdogs made of

cats. Funny, provocative and shot through with refreshing amounts of common sense, Thinking About It Only Makes It Worse celebrates and commiserates on the state of things in our not entirely glorious modern world. 'Mitchell is an exceptionally clever, eloquent and spot-on commentator . . . We should be grateful for him.' Daily Mail, Books of the Year

The Champ & The Chump James McNicholas,2021-08-05 **WINNER OF BEST SPORTS

ENTERTAINMENT BOOK AT THE BRITISH SPORTS BOOK AWARDS 2022** 'Hard-hitting and hilarious' - James Acaster 'Funny, moving and compelling' - Mike Costello A heart-warming, hilarious true story about fighting and family, based on the acclaimed stage show. For fans of books by Dave Gorman, James Acaster and Danny Wallace, along with boxing tales from the likes of Tyson Fury and Ricky Hatton. THE CHAMP Terry Downes - the charismatic cockney known as 'The Paddington Express' - was a world champion boxer, US Marine, gangsters' favourite and later a film star and businessman. THE CHUMP James McNicholas' PE teacher once told him he was so unfit he'd be dead by the time he was 23. James has spent his life pursuing a career in acting and comedy. In reality, that has meant stints as a car park caretaker and river cruise salesperson. After Terry's death, James finds himself in reflective mood, comparing his story of underachievement against that of his world champ grandad. What follows is an increasingly colourful journey through post-war Paddington to the blood-soaked canvases of Baltimore and Shoreditch, via Mayfair parties with the Krays. Along the way, James begins to dig into his own story, confronting the dysfunctional elements of his

childhood, describing his often hilarious efforts to make it in the world of showbiz, and attempting to recreate Terry's trials by enlisting in a brutal military boot camp and boxing gym. When James is diagnosed with a frightening and mysterious neurological condition, the two tales of the fighter and the writer suddenly collide, and what began as a nostalgic journey takes on a far more important significance altogether. 'A wonderfully funny and heartfelt story of what family and lineage means. Even made me like boxing' - Josh Widdicombe 'An extraordinary family history, told with warmth and wit. Two remarkable underdog stories - come for the cockney scrapper who conquered the world, stay for the grandson and the fight of his life' - Greg Jenner 'If you like comedy and boxing this is the perfect book. James McNicholas is a very funny man and a brilliant writer' - Rob Beckett

And Away... Bob Mortimer, 2021-09-16 The number one bestseller and Sunday Times Humour Book of the Year by national treasure Bob Mortimer. 'The most life-affirming, joyful read of the year' - Sunday Times 'Winningly heartfelt' - The Guardian 'A triumph' - Daily Mail Bob Mortimer's life was trundling along happily until suddenly in 2015 he was diagnosed with a heart condition that required

immediate surgery and forced him to cancel an upcoming tour. The episode unnerved him, but forced him to reflect on his life so far. This is the framework for his hilarious and moving memoir, *And Away...* Although his childhood in Middlesbrough was normal on the surface, it was tinged by the loss of his dad, and his own various misadventures (now infamous from his appearances on *Would I Lie to You?*), from burning down the family home to starting a short-lived punk band called Dog Dirt. As an adult, he trained as a solicitor and moved to London. Though he was doing pretty well (the South London Press once crowned him ‘The Cockroach King’ after a successful verdict), a chance encounter in a pub in the 1980s with a young comedian going by the name Vic Reeves set his life on a different track. And now, six years on, the heart condition that once threatened his career has instead led to new success on BBC2’s *Gone Fishing*. Warm, profound, and irrepressibly funny, *And Away...* is Bob’s full life story (with a few lies thrown in for good measure.)

Ethylene in Plants Chi-Kuang Wen, 2014-10-28 This book focuses on recent advances in our understanding of the signal transduction pathway of ethylene, its interaction with other hormones and its roles in biological processes. It discusses at which point plants could have acquired ethylene signaling from an evolutionary perspective. Ethylene was the first gaseous hormone to be identified and triggers various responses in higher plants. Our grasp of ethylene signaling has rapidly expanded over the past two decades, due in part to the isolation of the components involved in the signal transduction pathway. The book offers a helpful guide for plant scientists and graduate students in related areas.
