Gio Swaby, 2022-04-12 Accompanied by a traveling exhibition, this book on the Bahamian artist's textile portraits serves as a love letter to Black women: their style, strength, vulnerabilities, and beauty. This debut of the 29-year-old Bahamian-born artist aims to redefine the often-politicized Black body, with portraits made in a range of textile-based techniques, such as embroidery and appliqué, celebrating Black women. Gio Swaby's intimate portraits are unique, highly personal figurative works

made from an array of colorful fabrics and intricate, freehand lines of thread on canvas that explore the intersections of Blackness and womanhood. Illustrated with 80 works in full color that span from 2017 to 2021, this is the first book on this contemporary feminist artist who is a rising star in the world of textiles and portraiture. According to Swaby, “I wanted to create a space where we could see ourselves reflected in a moment of joy, celebrated without expectations, without connected stereotypes.” Writers and scholars with multiple points of view take on Swaby’s work and delve into her place within contemporary Black art.

The articles in this book explore varied subjects under the Mughal umbrella, challenge long-held ideas and draw comparisons between the artistic expressions and material culture of the powerful Islamicate triumvirate of the early modern period - the Safavids in Iran, the European-based Ottomans and the Mughals in the Indian subcontinent. Themes as diverse as portraits of royal women, sub-imperial patronage of temples, word-image relationship, the lapidary arts and the Imperial Library

of the Mughals, a reconsideration of Mughal garden typologies, murals painted on architectural surfaces, the textile culture of the city of Burhanpur, changes in visual language and content of painting, and Imperial objets d'art have been discussed, challenged and analyzed. The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, The Return of the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of

the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

My Darkest Years James Bachner, 2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all

Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.
